Company Parties means the Company's respective past, present and future employees, officers, directors, contractors, consultants, attorneys, equity holders, suppliers, vendors, service providers, parent companies, subsidiaries, affiliates, agents, representatives, predecessors, successors and assigns;

User Credentials mean all personal information and documents from the User provided in the WMC Token Sale KYC procedure to the Company;

Payment Currency tiers means tiers in the WMC Token Sale KYC procedure, which are divided according to the amount of Payment Currency the Users are willing to contribute in the WMC Token Sale, and which define which personal information and documents the User is obliged to provide to the Company in the WMC Token Sale KYC;

User's WMC Token Address means a public Ethereum wallet address that supports the ERC-20 WMC Token standard from which the Users send their Payment Currency to the WMC Token Sale and to which the WMC Tokens will be sent;

Force Majeure Event means any governmental or relevant regulatory regulations, acts of God, war, riot, civil commotion, fire, flood, or any disaster or an industrial dispute of workers unrelated to you or the Company. Any act, event, omission, happening or non-happening will only be considered Force

Majeure if it is not attributable to the wilful act, neglect or failure to take reasonable precautions of the affected party, its agents, employees, consultants, contractors and sub-contractors.

2. Scope of Terms

These Terms are a legally binding Agreement between you, on the one part, and the Company, on the other part. Unless otherwise stated herein, these Terms only govern your purchase of WMC Tokens from the Company in the WMC Token Sale, WMC Token Sale KYC or just viewing certain pages of the Website, including but without limitation, for the purpose of obtaining WMC Tokens.

These Terms are effective at the time you acknowledge that you have read them and you are agree to be bound by them.

Any use of WMC Tokens in connection with register for participation in the Event or using other Services may be governed by other applicable terms and conditions and policies.

The Company reserves the right, at its own and complete discretion, to modify or to temporarily or permanently suspend or eliminate the Website, and/or disable any access to the Website.

By accepting these Terms, using Website, participating in the WMC Token Sale and/or purchasing WMC Tokens, you covenant, represent, and warrant that: you are of an age of majority to enter into this Agreement, meet all other eligibility and residency requirements, and are fully able and legally competent to enter into the terms, conditions, obligations, affirmations, representations, and warranties set forth herein and to abide by and comply herewith.

Natural persons and legal entities that are not capable of holding legal rights and obligations are not allowed to participate in the WMC Token Sale. If the Company becomes aware that such natural person or legal entity was accepted to the Token Sale List of participants, it will remove such Token Sale List Participant from the Token Sale List of participants, refund its payment contribution and block his User's WMC Token Address.

By transferring Payment Currency to the Ethereum contract address of the Company and/or accepting WMC Tokens, you expressly agree to all of the terms and conditions set forth in Smart Contract System existing on the Ethereum blockchain, which is incorporated by reference herein. You further confirm to have carefully reviewed the Smart Contract System, its functions and the terms and conditions applicable for the Smart Contract System.

You shall not use the Website or participate in WMC Token Sale if such use is prohibited under applicable law. In particular, should any limitation or prohibition as to your acceptance or use of any amount of WMC Tokens exist under applicable law, you shall not enter into this Agreement. You are solely responsible and liable for compliance with applicable law of your jurisdiction and shall indemnify, defend and hold harmless Company Parties from any violation of the applicable law of your jurisdiction.

3. Eligibility - WMC Token Sale KYC

You understand and accept, that participation in the WMC Token Sale will not be possible from a public Ethereum wallet address that has not been previously registered according to the procedure defined herein, unless otherwise specified in these Terms.

In order to be eligible to participate in the WMC Token Sale and purchase the WMC Tokens, you will have to undergo our WMC Token Sale KYC. On the Website, you will be prompted to provide us with your email address. Once you submit your email address, we will process it and send an email to your email address provided in order to verify it. You need to have access to your email address in order to verify it. You will be requested to click on a unique link provided in our email to verify your email address.

Once your email address will be successfully verified you will be prompted to provide us with your personal information depending on the amount of Payment Currency you would like to contribute.

Payment Currency tier 1

In case you would like to contribute up to 8.00 Payment Currency you will be required to provide your name, address of your permanent residence, email address, your country of tax residency and User's WMC Token Address.

Payment Currency tier 2

In case you would like to contribute more than 8.00 Payment Currency you will be required to provide you name, address of your permanent residence, email address, your country of tax residency, User's WMC Token Address and a copy of your personal identification document. .

Once you will provide to us all the above User Credentials we will process your WMC Token Sale KYC application. It is in our sole discretion to select which participants among the once which provided us with their User Credentials in the WMC Token Sale KYC and for what amount of Payment Currency will be accepted to the Token Sale List of participants and approved as Token Sale participants. The Company has absolute discretion and may reject you and any amount of Payment Currency you paid for any reason or no reason at all. The final decision who and for what amount of Payment Currency will be added to the Token Sale List of participants will be made by us as soon as technically possible, but not later than three days after we will receive your User Credentials. Only Token Sale participants will be provided with a welcoming email which will instruct you how to proceed with the purchase of the WMC Tokens.

You confirm by using the WMC Token Sale and providing your User Credentials to the Company, that all information provided within the WMC Token Sale KYC is true and accurate and that that you do not act on behalf of any third party.

Upon our request, you will immediately provide to us any information and documents that we, in its sole discretion, deem necessary or appropriate to comply with any laws, regulations, rules or agreements, including without limitation judicial process. Such documents include, but are not limited to, passport, driver's license, utility bills, photographs of associated individuals, government

identification cards, or sworn statements. You consent that you will disclose such information and documents to us in order to comply with applicable laws, regulations, rules or agreements. You acknowledge that we may refuse to distribute WMC Tokens to you until such requested information is provided.

4. WMC Token Sale

The Company will sell WMC Tokens in the WMC Token Sale only to the Token Sale participants. Only Token Sale participants will be eligible to purchase the WMC Tokens during the WMC Token Sale according to their Payment Currency tier.

The Company will conduct WMC Token Sale during the Token Sale Period.

In the welcoming email, you will be provided with public Ethereum contract address of the Company which will be used for the WMC Token Sale. The Users which will send their Payment Currency to the WMC Token Sale from their wallet address of any crypto currency exchange will be provided with a different public Ethereum contract address of the Company which will be used in their case for the WMC Token Sale. Please do not send any Payment Currency to the address if you see any discrepancies. No third-party provider has been allowed, authorized or endorsed by the Company for the distribution of WMC Tokens.

The USD price per one (1) WMC Token during the WMC Token Sale is \$5. While the WMC Token price is set in USD, you must pay for WMC Tokens in Payment Currency.

You must pay the purchase price for the WMC Tokens in Payment Currency by sending the Payment Currency to the public Ethereum contract address of the Company provided to you in the welcoming email. You will be entitled to the amount of WMC Tokens which equals to the amount of Payment Currency you sent to the Ethereum contract address of the Company multiplied by the Exchange Rate and divided by the USD price of one (1) WMC Token (5 USD).

Your purchase is not guaranteed until we receive the amount of the Payment Currency you sent to the Ethereum contract address of the Company. If we have not received your payment of the Payment Currency within the Token Sale Period, we reserve the right to void your purchase request and refuse to accept your payment. For the avoidance of doubt, your payment of the Payment Currency will be deemed to be paid once we have received three (3) network confirmations of the transaction. We reserve the right, in our sole discretion, to modify any of the timelines and procedures described herein to account for network congestion or other technical challenges.

After we receive your contribution we will process it, check if your contribution amount corresponds to Payment Currency tier and accept or deny your amount of Payment Currency. Accordingly, we will add your actual amount of Payment Currency contributed to the Token Sale List of participants.

The Company anticipates that WMC Tokens, based on the funds raised during the WMC Token Sale, will be generated, distributed and delivered fourteen (14) days after the WMC Token Sale is completed. The Company reserves the right to extend the WMC Token delivery date for up to two (2) additional weeks if necessary to address any unanticipated technical difficulties and issues or security issues. For the avoidance of doubt, any extension of the WMC Token delivery shall not affect

the obligation of the Company and you to make and take delivery, respectively, of WMC Tokens purchased. Although the Company does not anticipate any technical difficulties and issues or security issues arising from the WMC Token Sale, these two (2) additional weeks timeframe is intended as a precautionary buffer period for Company to resolve any such technical difficulties and issues or security issues.

The WMC Tokens distributed during the WMC Token Sale contribution period will not exceed 63,5% of all the available WMC Tokens assigned to the contributors. With other words, during the WMC Token Sale not more than total of 12.700.000 WMC Tokens out of 20.000.000 WMC Tokens will be distributed.

The funds raised during the WMC Token Sale will be used as described in the Exhibit A. If the funds raised during the WMC Token sale do not reach the minimum target for the WMC Token sale by the termination of the WMC Token sale, the Smart Contract System will not deliver WMC Tokens to the contributors in the WMC Token sale and will instead return the payment received during the WMC Token sale from Users to the User's WMC Token Address.

You agree not to share your User Credentials and public Ethereum contract address of the Company provided in the welcoming email with any other person for the purpose of facilitating their unauthorized access to the WMC Token Sale. If you do share your User Credentials with anyone we will consider their activities to have been authorized by you. You alone are responsible for any acts or omissions that occur during the WMC Token Sale through the use of your User Credentials or your User's WMC Token Address. We reserve the right to suspend or block your access to the WMC Token Sale upon suspicion of any unauthorized access or use, or any attempt thereof, by anyone using your User Credentials or your User's WMC Token Address. You may lose all your payments if made from the suspended or blocked User's WMC Token Address or using suspended or blocked User Credentials.

At any time during the Token Sale Period and at its sole discretion, Company may by notice on the Website, temporarily or permanently suspend the WMC Token Sale for technical or security reasons and such suspension shall take effect from the moment of publication of such notice until the same is updated or removed from the Website. You agree not to send any contributions in any Payment Currency during such a suspension period and accept the risk that any contribution sent during such a suspension period may be lost in its entirety. Company is not responsible or liable for returning or refunding any losses incurred by you due to sending a contribution during a suspension period.

If the Company will at its sole discretion or as fulfilment of its obligations according to these Terms return the User's contribution to the User for any reason, the User will be obliged to pay any transaction fees and other costs related to such return or transaction.

Important information about the procedures and material specifications of the Company, the Events and WMC Tokens is provided in Exhibit A. By participating in the WMC Token Sale and purchasing WMC Tokens, you acknowledge that you have read, understand, and have no objection to Exhibit A.

5. Purpose and Use of WMC Tokens

WMC Tokens have no rights, uses or attributes outside of scope of the Services.

WMC Tokens distributed in the WMC Token Sale will not be transferable and the Users will not be able to send them to other wallets until the end of the WMC Token Sale. This restriction will be eliminated after the conclusion of the WMC Token Sale.

The WMC token is going to be distributed on the Ethereum blockchain to obtain initial funding for the Company's project. Token holders are going to form our community, which will be able to influence the direction of the project and participate in the events. To register as potential participants for the event, token holders are required to send the WMC Tokens to the event-generated smart contract, all done through our user friendly interface and/or mobile app. Based upon the results of "gamification", six participants will be selected for the event. WMC tokens can be acquired in the WMC Token Per-Sale or in the WMC Token sale. Nevertheless, the Company gives no warranties that WMC Token will be exchangeable on specific platforms or that it shall remain exchangeable on the exchanges.

WMC Tokens are not securities as defined under applicable laws of Slovenia. Therefore, the WMC Tokens have not been registered with any competent regulator. WMC Tokens may not be offered, sold or otherwise transferred, encumbered or otherwise used except as permitted under applicable laws.

Important information about the procedures and material specifications of the Company, Events and WMC Tokens is provided in Exhibit A. By participating in the WMC Token Sale and purchasing WMC Tokens, you acknowledge that you have read, understand, and have no objection to Exhibit A.

6. Possible Migration of WMC Tokens.

WMC Tokens are being created as ERC-20 tokens on the Ethereum protocol. We reserve the right to migrate the ERC-20 based WMC Tokens to another protocol and to generate replacement WMC Tokens on the new protocol in the future, should we determine, in our sole discretion, that doing so is necessary or useful of our operation and organizing the Events.

Should we decide to migrate the WMC Tokens, we will notify you via the email address you provided to us during the WMC Token Sale KYC.

7. WMC Token Creation and Allocation

All WMC Tokens sold in the WMC Token Sale will be created and distributed according to the rules of the WMC Token Sale defined in the Exhibit B, unless otherwise specified in the Section 4 and Section 5 of these Terms. By participating in the WMC Token Sale and purchasing WMC Tokens, you acknowledge that you have read, understand, and have no objection to the Exhibit B.

8. Refusal of Purchase Requests

All purchases of WMC Tokens from us and/or your acceptance of WMC Tokens during the WMC Token Sale are final, and there are no refunds or cancellations except as set forth herein or as may be required by applicable law or regulation. We reserve the right to refuse or cancel WMC Token purchase requests at any time in our sole discretion. To the greatest extent legally possible, the User hereby waives any statutory or contractual right to withdraw from, or to rescind, these Terms. To the extent the Company, in its sole discretion, decides to make a refund, any refunds will be made in the Payment Currency not in USD or any other fiat currency. We are not responsible for any delays, losses, costs, non-delivery of refunds or of WMC Tokens, or other issues arising from the failure to provide, or providing an inaccurate or incomplete User's WMC Token Address.

You acknowledge and agree that these Terms are in respect of distance contracts excluded from the right of withdrawal since they concern the supply of goods for which the price is dependent on fluctuations in the market which cannot be controlled by us and which may occur within the withdrawal period.

You acknowledge and agree, in addition and without limitation to any other applicable exceptions, that the exception regarding the digital content on a non-tangible medium in respect of distance sales applies since these Terms concerns the supply of digital content on a non-tangible medium. You hereby waive the right to withdrawal from these Terms in a period of 14 days. Furthermore you give the express consent and acknowledge that you thereby lose your right of withdrawal.

9. Acknowledgment and Assumption of Risks.

You acknowledge and agree that there are risks associated with purchasing, holding, owning, and using WMC Tokens, participating in the WMC Token Sale, with the provision or receipt of Services and accessing or using the Website, as disclosed and explained in Exhibit C. BY PURCHASING WMC TOKENS, YOU EXPRESSLY ACKNOWLEDGE AND ASSUME THESE RISKS.

10. Security

You are responsible for implementing reasonable measures for securing the User's WMC Token Address, your wallet, vault, or other storage mechanism you use to receive and hold WMC Tokens purchased from us, including any requisite private key(s) or other credentials necessary to access such storage mechanism(s). If your private key(s) or other access credentials are lost, you may lose access to your WMC Tokens. We are not responsible or liable for any losses, costs, or expenses relating to lost access credentials.

11. Personal Information

As part of the WMC Token Sale KYC, we may request certain information about you in order to distribute WMC Tokens to you. If you do not provide the information requested by us, then we may be unable to distribute WMC Tokens to you.

We may determine, in our sole discretion, that it is necessary to obtain additional information about you which were not obtained during the WMC Token Sale in order to comply with applicable laws or

regulations in connection with selling WMC Tokens to you. You agree to provide us such information promptly upon request and acknowledge that we may refuse to sell or distribute WMC Tokens to you until you provide such requested information and we have determined that it is permissible to sell you WMC Tokens under applicable laws or regulations.

Please refer to our Privacy Policy published on the Website for information about how we collect, use and share your information obtained during the WMC Token Sale and WMC Token Sale KYC.

12. Taxes

It is your responsibility to determine what, if any, taxes apply to your participation in the WMC Token Sale or purchase of WMC Token, for example, sales, use, value added, and similar taxes. It is your responsibility to withhold, collect, report and remit the correct taxes to the appropriate tax authority and all your factual and potential tax obligations are your concern. You agree that the Company is not in any case and under no conditions responsible for determining whether taxes apply to your participation in the WMC Token Sale or purchasing WMC Tokens or for collecting, reporting, withholding or remitting any sales, use, value added, or similar taxes arising from participation in the WMC Token Sale or purchasing WMC Tokens. You also agree that the Company is not in any case and under no conditions bound to compensate for your tax obligation, to give you any advice related to tax issues or to act and cooperate in any proceeding, in which you would claim or enforce tax benefits under any bilateral or multilateral tax agreement or under any other national or international tax regime.

Any amounts that you pay for WMC Tokens are exclusive of any applicable taxes and shall certain taxes be applicable, they shall be added on top of the payable amounts. Upon our request, you will provide to us any information that we reasonably request to determine whether we are obligated to collect VAT from you, including your VAT identification number. If any deduction or withholding is required by law, you will notify the Company and will pay the Company any additional amounts necessary to ensure that the net amount received by the Company, after any deduction and withholding, equals the amount the Company would have received if no deduction or withholding had been required. Additionally, you will provide the Company with documentation showing that the withheld and deducted amounts have been paid to the relevant taxing authority.

13. Representations and Warranties

The Company warrants that the Services and participant selection process will not classify as gambling according to any applicable law.

By sending Payment Currency to purchase WMC Tokens from us, you represent and warrant that:

- a. You have read and understand these Terms (including all Exhibits);
- b. YOU ACKNOWLEDGE AND AGREE THAT THERE ARE RISKS ASSOCIATED WITH PURCHASING, HOLDING, OWNING AND USING WMC TOKENS, WITH THE PROVISION OR RECEIPT OF SERVICES AND ACCESSING OR USING THE WEBSITE (BUT NOT NECESSARILY LIMITED TO) THE RISKS DESCRIBED IN EXHIBIT C;

- c. You have sufficient understanding of technical and business matters (including those that relate to the Services and the Events), cryptographic tokens, token storage mechanisms (such as token wallets), and blockchain technology to understand these Terms and to appreciate the risks and implications of purchasing WMC Tokens;
- d. You know how to manage these digital technologies, and you are solely responsible for any evaluations, decisions and actions you make concerning cryptographic tokens, cryptocurrencies and blockchain-based systems;
- e. You have necessary and relevant experience and knowledge to deal with cryptographic tokens, cryptocurrencies and Blockchain-based systems to competently enter into this Agreement;
- f. You understand the restrictions and risks associated with the creation of WMC Tokens as set forth herein, and acknowledge and assume all such risks;
- g. You have obtained sufficient information about the WMC Tokens, the Services and the Events to make an informed decision to purchase WMC Tokens;
- h. You understand with regard to WMC Tokens no market liquidity may be guaranteed and that the value of WMC Tokens over time may experience extreme volatility or depreciate in full;
- i. You have carefully reviewed and understand the Smart Contract System, its functions and the terms and conditions applicable for the Smart Contract System;
- j. You will fully comply with the WMC Token Sale KYC as described in Section 3, the WMC Token Sale as described in Section **Napaka! Vira sklicevanja ni bilo mogoče najti.** and the WMC Token sale procedures as described in Exhibit B and provide the Company with true, exact and current information and data the Company requests from you.
- k. You understand that the WMC Tokens confer only the right to register as potential participant for the Event, and confer no other rights of any form with respect to the Company, including, but not limited to, any ownership, distribution, redemption, liquidation, proprietary (including all forms of intellectual property), or other financial or legal rights;
- l. You understand, agree and accept that while the individuals and entities, including the Company, assigned to this task will make reasonable efforts to organize Events, it is possible that such development may fail and your WMC Tokens become useless and/or valueless due to technical, commercial, regulatory or any other reasons;
- m. You are aware of the risk that even if all or parts of the Company's project, the Services, WMC app and Events are successfully developed and released in full or in parts, due to a lack of public interest, the Company's project or the Services could be fully or partially abandoned, remain commercially unsuccessful or be shut down for lack of interest, regulatory or other reasons. You therefore understand and accept that the transfer of

Payment Currency to the relevant Smart Contract System, the creation of WMC Tokens by the Smart Contract System and/or and the acceptance of WMC Tokens carry significant financial, regulatory and/or reputational risks, including the complete loss of value of created WMC Tokens, if any, and attributed features of the Events or Company's project;

- n. You are purchasing WMC Tokens solely for the purpose of obtaining the right to register as potential participant for the Event, and supporting the development, testing, deployment and operation of the Company's project, being aware of the commercial risks associated with the Company and the Company's project. You are not purchasing WMC Tokens for any other purposes, including, but not limited to, any investment, speculative or financial purpose;
- o. Your purchase and acceptance of WMC Tokens complies with applicable laws and regulations in your jurisdiction, including, but not limited to, (i) legal capacity and any other threshold requirements in your jurisdiction for the purchase and acceptance of the WMC Tokens and entering into contracts with the Company, (ii) any foreign exchange or regulatory restrictions applicable to such purchase and acceptance, and (iii) any governmental or other consents that may need to be obtained;
- p. You will comply with any applicable tax obligations in your jurisdiction arising from your purchase and acceptance of WMC Tokens;
- q. If you are purchasing WMC Tokens on behalf of any entity, you are authorized to accept these Terms on such entity's behalf and that such entity will be responsible for breach of these Terms by you or any other employee or agent of such entity (references to "you" in these Terms refer to you and such entity, jointly);
- r. You are not citizen, lawful permanent resident or domiciled in the United States of America, Canada, South Korea, Singapore, China, or in any jurisdiction or country where such distribution, purchase, ownership, sale, acceptance or usage of WMC Tokens, participation in the WMC Token Sale or usage of the Services would be contrary to any law or regulation, or which would subject the Company, including their affiliates, or any of their products or services to any registration, licensing or other authorization requirement within such jurisdiction or country. In order to receive WMC Tokens you covenant, represent, and warrant that none of the owners of the company, of which you are an authorized officer, are citizens or permanent residents of these countries, nor do they have a primary residence or domicile in these countries. The Company shall reserve the right to refuse distributing WMC Tokens to anyone who does not meet the required criteria as set out hereunder and by the applicable law. In particular, the Company may refuse distributing WMC Tokens to citizens, permanent residents of these countries and those who do not meet criteria specified in this Section 13 and the Terms. You agree that if your country of residence or other circumstances change such that the above representations are no longer accurate, that you will immediately cease using the Services and log out as potential participant for the Event.

- s. If you are registering to use the Services on behalf of a legal entity, you further represent and warrant that (i) such legal entity is duly organized and validly existing under the applicable laws of the jurisdiction of its organization, and (ii) you are duly authorized by such legal entity to act on its behalf.
- t. Making a contribution and receiving WMC Tokens under these Terms is not unlawful or prohibited under the laws of your jurisdiction or under the laws of any other jurisdiction to which you may be subject and any contribution shall be made in full compliance with applicable laws (including, but not limited to, in compliance with any tax obligations to which you may be subject in any relevant jurisdiction);
- u. Any contribution to be made by you for the purchase of WMC Tokens is not derived from or related to any unlawful or unethical activities, including but not limited to money laundering or terrorist financing activities;
- v. You shall not use the WMC Tokens to finance, engage in, or otherwise support any unlawful activities, including but not limited to money laundering and the financing of terrorism;
- w. Your Payment Currency shall be transferred to Company from a digital wallet that: (i.) is registered in your name or in the name of a person who is duly authorized by you to transfer the Payment Currency and is eligible to do so under Section 3 and Section **Napaka! Vira sklicevanja ni bilo mogoče najti.**4; (ii.) is not located in or that is not registered in the name of a person located in or resident of any country or territory that has been designated by the Financial Action Task Force as a “non-cooperative country or territory”; (iii.) technically supports WMC Tokens. You understand and accept, that failure to assure this may have the result that you will not gain access to your WMC Tokens;
- x. You waive the right to participate in a class action lawsuit or a classwide arbitration against any Company Parties and any entity or individual related to these Terms and the creation, issuance, distribution, acceptance and use of WMC Tokens.

14. Indemnification

To the fullest extent permitted by applicable law, you will indemnify, defend and hold harmless the Company and its Company Parties from and against all claims, demands, actions, damages, losses, liabilities, costs and expenses (including attorneys’ fees) that arise from or relate to (i) any third-party claim concerning these Terms, (ii) your use of, or conduct in connection with WMC Token Pre-sale, WMC Token sale, Services, (iii) any feedback you provide, (iv) your purchase, acceptance or use of the WMC Tokens, (v) your responsibilities or obligations under these Terms (vi) your violation of these Terms, (vii) or your violation of any rights of any other person or entity. If you are obligated to indemnify us, we will have the right, in our sole discretion, to control any action or proceeding (at our expense) and determine whether we wish to settle it. If we are obligated to respond to a third-party subpoena or other compulsory legal order or process described above, you will also reimburse us for reasonable attorney fees, as well as our employees’ and contractors’ time and materials spent

responding to the third-party subpoena or other compulsory legal order or process at reasonable hourly rates.

The Company reserves the right to exercise sole control over the defence, at your expense, of any claim subject to indemnification under Section 14. This indemnity is in addition to, and not in lieu of, any other indemnities set forth in a written agreement between you and the Company.

You will promptly notify us of any third-party claims, actions, or proceedings which you become aware of that involves the Company as a result of these Terms. The Company may participate with counsel of its own choosing in any proceedings describing above.

15. Disclaimers

TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW AND EXCEPT AS OTHERWISE SPECIFIED IN A WRITING BY US, (A) THE WMC TOKENS ARE SOLD ON AN “AS IS” AND “AS AVAILABLE” BASIS WITHOUT WARRANTIES OF ANY KIND, AND WE EXPRESSLY DISCLAIM ALL IMPLIED WARRANTIES AS TO THE WMC TOKENS, INCLUDING, WITHOUT LIMITATION, IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE AND NONINFRINGEMENT, (B) WE DO NOT REPRESENT OR WARRANT THAT THE WMC TOKENS ARE RELIABLE, CURRENT OR ERROR-FREE, MEET YOUR REQUIREMENTS, OR THAT DEFECTS IN THE WMC TOKENS WILL BE CORRECTED, AND (C) WE CANNOT AND DO NOT REPRESENT OR WARRANT THAT THE WMC TOKENS OR THE DELIVERY MECHANISM FOR WMC TOKENS ARE FREE OF VIRUSES OR OTHER HARMFUL COMPONENTS.

Some jurisdictions do not allow the exclusion of certain warranties or disclaimer of implied terms in contracts with consumers, so some or all of the exclusions of warranties and disclaimers in this Section 15 may not apply to you.

Neither these Terms nor the Goldenpaper constitute a prospectus, offering document or private placement memorandum of any sort and are not an offer to sell, nor the solicitation of an offer to buy any investment or financial instrument in any jurisdiction and does not pertain in any way to an initial public offering or a share/equity offering and does not pertain in any way to an offering of securities in any jurisdiction. The WMC Tokens are not being structured or sold as securities or any other form of investment product. WMC Token is not an investment, investment product or investment advice.

WMC Token does not have the legal qualification as a security, since it does not give any rights on dividends or interest, any ownership right or stake share or equivalent rights or any right to receive future revenue shares, or any other form of participation in or relating to the Company, nor shall WMC Tokens holders have any influence or rights in the development or governance of the Company. WMC Token is not a share and does not give any right to participate in the general meetings of the Company.

WMC Tokens should not be acquired for speculative or investment purposes with the expectation of making a profit on immediate or future re-sale. There are no guarantees regarding the value of the WMC Token and there is no reason to believe that WMC Token will increase in value, and they might also decrease in value or lose their value entirely.

No regulatory authority has examined or approved of any of the information set out in these Terms and/or the Goldenpaper. No such action has been or will be taken under the laws, regulatory requirements or rules of any jurisdiction. The publication, distribution or dissemination of these Terms and/or the Goldenpaper does not imply that applicable laws, regulatory requirements or rules have been complied with.

While every effort will be made by the Company to ensure that information contained on the Website or regarding the Services is correct, the Company disclaims (to the extent permitted by applicable laws) all warranties regarding the accuracy, adequacy, correctness, completeness, reliability, timeliness, non-infringement, title, merchantability or fitness of any information on the Website and/or regarding the Services.

16. Limitation of Liability

TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW (I) IN NO EVENT WILL THE COMPANY OR ANY OF THE COMPANY PARTIES BE LIABLE TO YOU OR ANYONE ELSE FOR ANY INDIRECT, SPECIAL, INCIDENTAL, CONSEQUENTIAL, OR EXEMPLARY DAMAGES OF ANY KIND (INCLUDING, BUT NOT LIMITED TO, WHERE RELATED TO LOSS OF REVENUE, INCOME OR PROFITS, LOSS OF USE OR DATA, OR DAMAGES FOR BUSINESS INTERRUPTION) ARISING OUT OF OR IN ANY WAY RELATED TO THE SALE OR USE OF THE WMC TOKENS OR OTHERWISE RELATED TO THESE TERMS, REGARDLESS OF THE FORM OF ACTION, WHETHER BASED IN CONTRACT, TORT (INCLUDING, BUT NOT LIMITED TO, SIMPLE NEGLIGENCE, WHETHER ACTIVE, PASSIVE OR IMPUTED), OR ANY OTHER LEGAL OR EQUITABLE THEORY (EVEN IF THE PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES AND REGARDLESS OF WHETHER SUCH DAMAGES WERE FORESEEABLE), AND (II) IN NO EVENT WILL THE AGGREGATE LIABILITY OF THE COMPANY AND THE COMPANY PARTIES (JOINTLY), WHETHER IN CONTRACT, WARRANTY, TORT (INCLUDING NEGLIGENCE, WHETHER ACTIVE, PASSIVE OR IMPUTED), OR OTHER THEORY, ARISING OUT OF OR RELATING TO THESE TERMS OR THE USE OF OR INABILITY TO USE THE WMC TOKENS, EXCEED THE AMOUNT YOU PAY TO US FOR THE WMC TOKENS.

THE LIMITATIONS SET FORTH IN SECTION 16 WILL NOT LIMIT OR EXCLUDE LIABILITY FOR THE GROSS NEGLIGENCE, FRAUD OR INTENTIONAL, WILLFUL OR RECKLESS MISCONDUCT OF THE COMPANY.

The Company or any of the Company Parties will not be responsible for any compensation, reimbursement, or damages arising in connection with: (i) your inability to participate in the WMC Token Sale, use the Services, including without limitation as a result of any termination or suspension of the Website or these Terms, power outages, maintenance, defects, system failures, mistakes, omissions, errors, defects, viruses, delays in operation or transmission or any failure of performance, (ii) the cost of procurement of substitute goods or services, (iii) any your investments, expenditures, or commitments in connection with these Terms or your participation in the WMC Token Sale or use of the Services, (iv) your reliance on any information obtained from the Company, (v) Force Majeure Event, communications failure, theft or other interruptions or (vi) any unauthorized access, alteration, deletion, destruction, damage, loss or failure to store any data, including records, private key or other credentials, associated with WMC Token Pre-sale, WMC Token sale, Services, User Credentials, Ethereum contract address of the Company and User's WMC Token Address.

WMC Token Pre-sale, WMC Token sale, Services and the information, products, and services included in or available through Website may include inaccuracies or typographical errors. Changes are periodically added to the information herein. The Company may make improvements or changes on the Website at any time. No information provided to you by the Company shall be considered or construed as advice.

Some jurisdictions do not allow the limitation or exclusion of liability for incidental or consequential damages. Accordingly, some of the limitations of this Section 16 may not apply to you.

17. Release

To the fullest extent permitted by applicable law, you release the Company and the other Company Parties from responsibility, liability, claims, demands and/or damages (actual and consequential) of every kind and nature, known and unknown (including, but not limited to, claims of negligence), arising out of or related to disputes between the Parties or participants in the WMC Token Sale, Services and the acts or omissions of any third parties. You expressly waive any rights you may have under any relevant law or legal principle that would otherwise limit the coverage of this release to include only those claims which you may know or suspect to exist in your favour at the time of agreeing to this release.

18. Dispute Resolution and Governing Law

All questions concerning the construction, validity, enforcement and interpretation of this Agreement and all issues related to WMC Tokens shall be governed by and construed and enforced in accordance with the laws of Slovenia, without regard to its conflict of law provisions or principles that would cause the application of the laws of any other jurisdiction, with exclusive venue for any litigation or other dispute resolution proceeding to be held before the courts of Slovenia.

The place of fulfilment for any of the rights and obligations of you and the Company under these Terms shall be Ljubljana, Slovenia.

To resolve any dispute, controversy or claim between them arising out of or relating to this Agreement, or the breach thereof, the Parties agree first to negotiate in good faith for a period of not less than sixty (60) days following written notification of such controversy or claim to the other Party.

If the negotiations do not resolve the dispute, controversy or claim to the reasonable satisfaction of all Parties during such period, then the Parties irrevocably and unconditionally submit to the exclusive jurisdiction and venue of Slovenian courts to resolve the dispute.

19. Intellectual property

The Company has valid, unrestricted and exclusive ownership of rights to use the patents, trademarks, trademark registrations, trade names, designs, copyrights, know-how, technology and other intellectual property necessary to the conduct of selling of the WMC Tokens, developing and enabling the Services, Website, the Events and the Company's activities generally.

The Company retains all Intellectual property. These materials are protected by Slovenian and international copyright laws and other intellectual property right laws. These Terms shall not be understood and interpreted in a way that they would mean assignment of copyright or other intellectual property rights, unless it is explicitly defined so in these Terms.

There are no implied licenses under the Agreement, and any rights not expressly granted to the User hereunder are reserved by the Company.

If for the purpose of any intellectual property right registration of the Company, any documentary submission or any other action is required from the User, the User must provide the Company with the respective assistance without any remuneration for the same.

The Company will own exclusive rights, including all intellectual property rights, to any feedback including, but not limited to, suggestions, ideas or other information or materials regarding Services, Website, the Events, WMC Token Pre-sale and WMC Token Sale or related products that you provide, whether by email, posting through Website or otherwise and you irrevocably and exclusively assign any and all intellectual property rights on such feedback unlimited in time, scope and territory (to the extent permitted by applicable laws) so that the Company has the right to dispose with them without any limitations, including their transfer to any third party without seeking your consent. Any feedback you submit is non-confidential and shall become the sole property of the Company. The Company will be entitled to the unrestricted use, reproduction (including in electronic form), modification (whereby you will not retain any rights on your original feedback), or dissemination of such feedback for any purpose, commercial or otherwise, without acknowledgment or compensation to you. You waive any rights you may have to the feedback (to the extent permitted by applicable laws). We have the right to remove any posting you make on Website if, in our opinion, your post does not comply with the content standards defined by these Terms.

20. Communication and support

You agree and consent to receive electronically all communications, agreements, documents, receipts, notices and disclosures that the Company provides in connection with use of the Website, Service, the Events, WMC Token Pre-sale and WMC Token Sale or these Terms. You agree that Company may provide these communications to you by posting them via the Website or by emailing them to you at the email address you provide. Any email communication will be considered to be received by you within 24 hours after we email it to you and communication via our Website will be effective upon posting. You should maintain copies of electronic communications by printing a paper copy or saving an electronic copy.

It is your responsibility to keep your email address updated so that you current email address is communicated to the Company and the Company can communicate with you electronically. You understand and agree that if the Company sends you an electronic communication but you do not receive it because your email address is incorrect, out of date, blocked by your service provider, or you are otherwise unable to receive electronic communications, it will be deemed that you have been provided with the communication. You can update your User Credential any time by sending an email to info@wmc.si

You may give the Company a notice under these Terms by sending an email to info@wmc.si or contact the Company through support located on the Website. All communication and notices pursuant to these Terms must be given in English language.

21. Severability

If any term, provision, covenant, restriction, clause or provision of these Terms is held to be invalid, illegal, unlawful, void or unenforceable, the remainder of the terms, provisions, covenants, restrictions, clauses or provisions set forth herein shall remain in full force and effect and shall in no way be affected, impaired or invalidated, and the Parties hereto shall use their commercially reasonable efforts to find and employ an alternative means to achieve the same or substantially the same result as that contemplated by such term, provision, covenant, restriction, clause or provision. It is hereby stipulated and declared to be the intention of the Parties that they would have executed the remaining terms, provisions, covenants, restrictions, clauses or provisions without including any of such that may be hereafter declared invalid, illegal, void or unenforceable.

22. Miscellaneous

These Terms constitute the entire agreement between you and the Company with respect to the subject matter hereof and substitutes and supersedes any and all previous written or oral statements between you and the Company. No provision of the Terms shall be considered waived unless such waiver is in writing and signed by the Party that benefits from the enforcement of such provision. No waiver of any provision in the Terms, however, will be deemed a waiver of a subsequent breach of such provision or a waiver of a similar provision. In addition, a waiver of any breach or a failure to exercise or enforce any right or provision of these Terms will not in any way affect, limit, or waive a Party's rights hereunder at any time to enforce strict compliance thereafter with every term and condition hereof.

The Company may, at its sole discretion, assign its rights and/or delegate its duties under these Terms. You may not assign your rights or delegate your duties, and any assignment or delegation without the written consent of the Company, which the Company may withhold at its sole discretion, shall be void.

We will not be liable for any delay or failure to perform any obligation under these Terms where the delay or failure results from any cause beyond our reasonable control.

Purchasing WMC Tokens from us does not create any form of partnership, joint venture or any other similar relationship between you and us.

Except as otherwise provided in herein, these Terms are intended solely for the benefit of you and us and are not intended to confer third-party beneficiary rights upon any other person or entity.

Parts of these Terms will be automatically executed by the Smart Contract System. In the event of any inconsistency, the Terms are the original source of the rights and obligations and the Smart Contract System serves only for the automatic execution of these Terms. Then in case of conflict between the Terms and Smart Contract System, the Terms will prevail and will therefore be the binding version for both parties.

The Company reserves the right to make changes, amendments, supplementations or modifications to these Terms at any time in its sole discretion and for any reason. We suggest that you review these Terms periodically for changes. If we make changes to these Terms, we will provide you with notice of such changes, such as by sending an email, providing notice on the Website or by posting the amended Terms on the Website and updating the date at the top of these Terms. The amended Terms will be deemed effective immediately upon posting for any new Users for participating in the WMC Token Sale and purchasing WMC Tokens. In all other cases, the amended Terms will become effective for pre-existing Users upon the earlier of either: (i) the date Users receives the notice on the Website or their email address, or (ii) continued participation in the WMC Token Sale 15 days after the Company publishes notice of such changes. Any amended Terms will apply prospectively to the WMC Token Sale after such changes become effective.

The notice of change of these Terms is considered as notice of termination of all rights and obligations between you and the Company derived from these Terms, if you do not accept the amended Terms. If you do not agree to any amended Terms and you communicate your disagreement to the Company, the agreement between you and the Company is terminated by expiry of 15 days period which starts after (i) the Company provides you a notice of change of these Terms or the Company publishes notice of such changes and (ii) you communicated your disagreement with the changes. If you do not inform us regarding your disagreement within the 15 days period after the Company provides you a notice of change of these Terms or the Company publishes notice of such changes, we will deem that you agree with the changed Terms.

These Terms are not boilerplate. If you disagree with any of them, believe that any should not apply to you, or wish to negotiate these Terms, please contact the Company and immediately navigate away from the Website. Do not use the Website, Service or other related services and participate in WMC Token Sale or purchase WMC Tokens until you and the Company have agreed upon new terms and conditions.

The rights and remedies conferred on the Company by, or pursuant to, these Terms are cumulative and are in addition, and without prejudice, to all other rights and remedies otherwise available to the Company at law.

Exhibit A

Description of the Company, Services and WMC Tokens

Company

WMC, videoprodukcija d.o.o., a private limited company organized under the laws of Slovenia with its identification number 8070881000, tax number SI 15430928 and its business address Toško Čelo 36, 1000 Ljubljana, Slovenia was founded by Kuzmanoski Denis, Lukman Mark, Stojkovič Matej, Ružič Marko, Milavec Tomaž and Milavec Igor. The Company is represented by its representatives Kuzmanoski Denis, Lukman Mark, Stojkovič Matej and Ružič Marko. The Company seeks to organize Events where only WMC Token holders can register for participation.

Events

When the funds have been raised, we will organize ten exclusive events each year for our Weekend Millionaires Club members. Planned budget for each event (with all company costs included) is approximately 1 million dollars, if we do not raise enough funds for the complete season we reserve the right to decrease the budget for each event and the number of events per season.

Our events will have various themes and will be tailored to the specific taste of our participants. However, no matter the event, you can always expect five-star treatment, the best food, the best company and the time of your life. Events will vary – some of them will take place at exotic places, some in big cities, and some in the best spa resorts. At every event, an influencer best suited for the event will accompany our participants.

Everyone that owns a WMC token(s) can choose to register for participation in our Weekend Millionaires events.

WMC members can register for participation in the Weekend Millionaires Club event by sending WMC tokens to the smart contract where all the collected tokens will be eliminated from the total supply. 6 participants will be selected based upon the results of gamification.

Gamification is the application of game elements and digital game design techniques to non-game problems, such as business and social impact challenges. The participants will get one attempt per each registration, to find the solution to the given puzzle. This makes it fair and simple.

Our team will contact all the selected participants to receive further information. We will contact you, so that you can provide us with your information, age, where are you from etc. Then we will send you an itinerary for the event you were selected to participate in and further information about location and transportation to our location.

The selected participants will be flown first-class to an exclusive location two days before the event, so that you can enjoy your millionaire weekend without jet lag.

The Weekend Millionaires Club will cover all expenses of first-class airplane tickets. When you touch down at our location, members of our team will provide everything for you and take care of you from that moment on.

The Weekend Millionaires Club will cover all transport from the airport to the hotel, all the fees, hotel stays and all the activities and food, according to our itinerary. You don't have to spend a dime.

A celebrity of some sort that is best suited for the specific event will accompany the selected participants at each of our events. Because of the nature of work that influencers do, you can expect that the event will be documented on their social media and YouTube channels.

Because a picture is worth a thousand words, all of our events will be filmed by our professional filming crew and uploaded to our YouTube channel. Each event will be uploaded to our YouTube channel, but we also give the rights to influencers and YouTubers to share our experience on their social media platforms. That way, our club can reach a wider audience and gain global recognition.

WMC Tokens

Token holders are going to form our community, which will be able to influence the direction of the project and participate in the events. To register as potential participants for the event, token holders are required to send the WMC tokens to the event-generated Smart Contract, all done through our user friendly interface and/or mobile app. Based upon the results of "gamification", six participants will be selected for the event.

WMC tokens can be acquired in the Token Pre-sale or in the Token sale.

WMC Charity Fund

In the distribution of WMC tokens, 1% of the created tokens (200,000 WMC) will go to the charity fund. Funds will be donated to world humanitarian organizations or associations that help people, animals and the environment. The selection of humanitarian organizations will take place depending on which issue needs the most attention at the time.

At each event, we will also raise awareness to help the people that are not as fortunate or to take special care of the world that surrounds us. We hope that the people participating in our events will spread the word of giving back and leaving only good vibes, every place we go.

We will also give special attention to charity on our website and in our app, where our members, visitors and viewers will continuously be offered information on how to contribute to our charity fund.

The collected charity funds will be donated to world humanitarian organizations or associations that help people, animals and the environment. The selection of humanitarian organizations will take place depending on which issue needs the most attention at the time. All charity activities will be published on our website, including reports.

Future development

We are planning the development of the WMC app for smart devices (Android and iOS) and an interface for the WMC website. Through the application intended for WMC members, all project-

related content will be available (reporting from the event, behind the scenes, interviews, hostess vlog, etc.) as well as insight into the project development and the current course of the project. Our members will be able to access all the merchandise through the application (online store with WMC products). Each WMC member will be able to create a user account in the app. Each newly created account will have a newly generated wallet (Ethereum protocol – blockchain) where users will be able to send WMC tokens. The app will facilitate the calculation of the required WMC tokens that will need to be sent to a smart contract to register for an event.

Example: A user will transfer 10 WMC tokens to their wallet, which will be integrated into their account. The app will show the available balance, while also calculating the current WMC to USD exchange rate (registration fee is always set at 10 USD and payable in WMC tokens). Additionally, the user will be able to see the number of available registrations for the event given the account balance. They can then simply select the number of registrations they want to apply and the app will take care of the rest (the user does not need to calculate how many WMC tokens need to be sent in order to register for the event, enter the smart contract address or set gas or gwei).

After that, the user will be able to partake in gamification and have the number of attempts that is equal to the number of registrations.

In order to ensure long-term stability of the project, we will develop a secondary business by opening tourist agencies all over the world that will offer a personalized WMC experience.

Roadmap

Apr 2017 Weekend Millionaires Club business idea

Oct 2017 WMC company and brand registration

Nov 2017 Token Pre-sale preparations

PURPOSE OF THE FUNDS

All the funds collected through crowdfunding will be used to implement the WEEKEND MILLIONAIRES CLUB project.

- Marketing
- Running expenses of the company
- Carrying out the costs of future events
- App development
- Gamification development

- New employees
- Production of the events
- Future development

TOKEN SALE

We are aware of the fact that the main part of income will come from the Token sale. At a later point, we expect revenue from advertisers, YouTube and product placement marketing as well as revenue from our tourist agencies. With success of the project, event costs will be lower (airlines, carriers, hotels, gadgets, accessories, etc.) because it will be in providers' interest that their products and services appear in the show. Nevertheless, we still believe that the majority of funds required for long-term stability of the project need to be obtained through the Token sale. If we assume that we would like to ensure funds for at least 5–7 seasons (50–70 events) and that at least 1 million USD is required for each event, excluding all future revenues of the project, we need to collect funds in accordance with our WMC Token distribution goals (65.5 million USD).

Exhibit B

WMC Token Sale

In the Token Sale there will be 12.700.000 WMC Tokens available.

The value of the WMC token for the Token Sale is set at 5 USD in the equivalent value of ETH (the exchange rate will be frozen on the date when the Token Pre-sale starts).

The Token Sale will take place on the 31th of May at 20:00 CET.

The Token Sale will run for 15 days or until all the Tokens are sold.

The ETH/USD exchange rate will be locked based on the market exchange rate on coinmarketcap.com within approximately from one (1) to twelve (12) hours prior to the time of the start of the WMC Token Pre-sale – on the 31th of May 2018.

The issuance of the WMC Tokens will be controlled by a Smart Contract System deployed on the Ethereum platform. The WMC Token will conform to the ERC20 standard.

The minimum target (Soft cap) for the Token sale is set to Ether equivalent of \$5 million while the hard cap will be set at \$63,5 million in total. The Token sale price is fixed at 5\$ per 1 WMC Token. Contributions will be made available in ETH (Ethereum) only. WMC Tokens are non-minable and the WMC Token Creation Smart Contract does not allow any additional WMC Tokens to be created.

Role of WMC Token: Utility

WMC Token supply: 20,000,000

Distributed in the WMC Token Pre-sale: 600,000 WMC (3%)

Distributed in the WMC Token sale: 12,700,000 WMC (63,5%)

Symbol/Ticker: WMC

WMC Token Pre-sale Hard Cap: 2,000,000 USD

WMC Token sale Hard Cap: 63,500,000 USD

Decimals: 18

Initial value: \$5

Blockchain: Ethereum

WMC Tokens distributed to the Team's wallet will be initially locked for a period of 12 months after the WMC Token sale will be concluded and WMC Tokens distributed to the Company reserves will be locked for a period of 24 months after the WMC Token sale will be concluded.

WMC TOKEN DISTRIBUTION

out of up to 20,000,000 WMC Tokens:

- up to 12,700,000 WMC Tokens (63,5%) will be distributed to the contributors in the WMC Token sale;
- up to 3,000,000 WMC Tokens (15%) will be distributed to the Founders, development team and management;
- up to 3,000,000 WMC Tokens (15%) will be intended for the Company reserves;
- up to 600,000 WMC Tokens (3%) will be distributed to the contributors in the WMC Token Pre-sale;
- up to 450,000 WMC Tokens (2,25%) will be intended for the advisors, ambassadors, angel investors;
- up to 200,000 WMC Tokens (1%) will be intended for the Charity fund; and
- up to 50,000 WMC Tokens (0,25%) will be intended for the Bounties.

To sum up 33,5% of WMC Tokens will be distributed to the Company, Funders, Team, Advisors, Charity and Bounties and 66,5% of the WMC Tokens will be available to the public.

The Smart Contract System already generated the WMC Tokens. In due time, after the WMC Token Pre-sale and WMC Token sale reach its hard cap or close after specified elapse of time, whichever occurs first, the WMC Tokens will be released to the contributors. In due time, after the WMC Token sale reaches its hard cap or closes after specified elapse of time, whichever occurs first, the remaining WMC Tokens will be released according to the split outlined above.

In case the WMC Token sale is not successful (i.e. in case less than equivalent of \$5 million is contributed), all contributed funds in the WMC Token sale will be returned to the contributors.

The ownership of the WMC Token does not include the right to:

- ownership of the company
- ownership of the company's intellectual property
- ownership of the service's IP
- profits of the service
- participate in decision making, unless options are put up on voting to WMC Token holders.

Exhibit C

Certain Risks Relating to Purchase, Sale, Ownership, Custody and Use of WMC Tokens and participating in the WMC Token Sale

Important Note: As noted elsewhere in these Terms, the WMC Tokens are not being structured or sold as securities or any other form of investment product. Accordingly, none of the information presented in these Terms or Exhibit C is intended to form the basis for any investment decision, and no specific recommendations are intended. The Company expressly disclaims any and all responsibility for any direct or consequential loss or damage of any kind whatsoever arising directly or indirectly from: (i) reliance on any information contained in this Exhibit C, (ii) any error, omission or inaccuracy in any such information or (iii) any action resulting from such information.

By purchasing, selling, holding, owning, and using WMC Tokens and participating in the WMC Token Sale, you expressly acknowledge and assume the following risks:

1. Risk of Losing Access to WMC Tokens Due to Loss of Private Key(s), Custodial Error or your Error

A private key, or a combination of private keys, is necessary to control and dispose of WMC Tokens stored in your digital wallet or vault. Accordingly, loss of requisite private key(s) associated with your digital wallet or vault storing WMC Tokens will result in loss of such WMC Tokens. Moreover, any third party that gains access to such private key(s), including by gaining access to login credentials of a hosted wallet service you use, may be able to misappropriate your WMC Tokens. Any errors or malfunctions caused by or otherwise related to the digital wallet or vault you choose to receive and store WMC Tokens, including your own failure to properly maintain or use such digital wallet or vault, may also result in the loss of your WMC Tokens. Additionally, your failure to precisely follow the procedures set forth in for buying and receiving WMC Tokens, including, for instance, if you provide an incorrect WMC Token receipt address, or provides an address that is not ERC-20 compatible, may result in the loss of your WMC Tokens.

2. Risks Associated with the Ethereum Protocol

Because WMC Token Pre-sale, WMC Token sale, Smart Contract System, WMC Tokens and other Services are based on the Ethereum protocol, any malfunction, breakdown or abandonment of the Ethereum protocol may have a material adverse effect on the WMC Token Pre-sale, WMC Token sale, Smart Contract System, Services or WMC Tokens. Moreover, advances in cryptography, or technical advances such as the development of quantum computing, could present risks to the WMC Token Pre-sale, WMC Token sale, Smart Contract System, WMC Tokens and Services, including the utility of the WMC Tokens for obtaining Services, by rendering ineffective the cryptographic consensus mechanism that underpins the Ethereum protocol. Smart contracts concepts, the underlying software application and software platform (i.e. the Ethereum blockchain) is still in an early development stage and unproven. There is no warranty or assurance that the process for creating WMC Tokens, WMC Token Pre-sale and WMC Token sale will be uninterrupted or error-free and there is an inherent risk that the software could contain defects, weaknesses, vulnerabilities, viruses or bugs causing, inter alia, the complete loss of Payment Currency contributions and/or WMC Tokens.

3. Risk of Mining Attacks

As with other decentralized cryptographic WMC Tokens based on the Ethereum protocol, the WMC Tokens are susceptible to attacks by miners in the course of validating WMC Token transactions on the Ethereum blockchain, including, but not limited to, double-spend attacks, majority mining power attacks, and selfish-mining attacks. Any successful attacks present a risk to Services and the WMC Tokens, including, but not limited to, accurate execution and recording of transactions involving WMC Tokens. You understand and accept that the miners will ultimately be in control of the delivery of the WMC Tokens via the smart contract mechanism, and that a majority of miners could agree at any point to make changes, updates, modifications to, or effect a deletion or destruction of the smart contract mechanism, and that such a scenario could lead to the WMC Tokens losing intrinsic value and/or functionality.

4. Risk of Hacking and Security Weaknesses

Hackers or other malicious groups or organizations may attempt to interfere with the WMC Token Pre-sale, WMC Token sale, Smart Contract System, Ethereum contract address of the Company, User's WMC Token Address, Services or the WMC Tokens in a variety of ways, including, but not limited to, malware attacks, denial of service attacks, consensus-based attacks, Sybil attacks, smurfing and spoofing. Furthermore, because the Smart Contract System and Services are based on open-source software, there is a risk that a third party or a member of the Company team may intentionally or unintentionally introduce weaknesses into the core infrastructure of the Services, WMC Token Pre-sale, WMC Token sale, Ethereum contract address of the Company, User's WMC Token Address or Smart Contract System, which could negatively affect the Services, WMC Token Pre-sale, WMC Token sale, Smart Contract System, Ethereum contract address of the Company, User's WMC Token Address and the WMC Tokens, including the utility of the WMC Tokens for obtaining Services.

5. Risks Associated with Markets for WMC Tokens

The WMC Tokens are intended to be used solely within the Services and the Company may not enable or otherwise facilitate any secondary trading or external valuation of WMC Tokens. This may restrict the contemplated avenues for using WMC Tokens to the provision or receipt of Services, and could therefore create illiquidity risk with respect to any WMC Tokens you own. Even if secondary trading of WMC Tokens is facilitated by third-party exchanges, such exchanges may be relatively new and subject to little or no regulatory oversight, making them more susceptible to fraud or manipulation. Furthermore, to the extent that third parties do ascribe an external exchange value to WMC Tokens (e.g., as denominated in a digital or fiat currency), such value may be extremely volatile and diminish to zero. If you are purchasing the WMC Tokens as a form of investment on a speculative basis or otherwise, or for a financial purpose, with the expectation or desire that their inherent, intrinsic or cash-equivalent value may increase with time, you assume all risks associated with such speculation or actions, and any errors associated therewith, and accept that the WMC Tokens are not offered by the Company or its affiliates on an investment or speculative basis. You further acknowledge that any funds you consider to be invested in the Company, Services or the WMC Tokens will not be protected, guaranteed or reimbursed by any governmental, regulatory or other entity, and will not, for instance be guaranteed by any Slovenian's guarantee scheme, and is unlikely to be protected by any equivalent scheme in a jurisdiction outside of Slovenia.

6. Risks Associated with Uncertain Regulations and Enforcement Actions

Blockchain technology allows new forms of interaction and that it is possible that certain jurisdictions will apply existing regulations on, or introduce new regulations addressing, blockchain technology based applications, which may be contrary to the current setup of the smart contract implemented in the WMC Token Pre-sale, WMC Token sale and which may, inter alia, result in substantial modifications to the smart contract and/or the Services, including its termination and the loss of your WMC Tokens. Additionally, regulation of the business of the Company may be uncertain in various jurisdictions owing to the potential crossovers between the treatment of the business of the Company across insurance services and blockchain technology laws and regulations. It is not known what regulatory framework the proposed Services, the Event organization, participant's selection process and associated applications will be caught by, the nature and obligations that will be imposed on Company in order to comply with any such regulatory framework or when/if Company will even be able to apply to be regulated so that it may lawfully carry out its proposed business activities.

The regulatory status of the WMC Tokens and distributed ledger technology is unclear or unsettled in many jurisdictions. It is difficult to predict how or whether regulatory agencies may apply existing regulation with respect to such technology and its applications, including the Services and the WMC Tokens. It is likewise difficult to predict how or whether legislatures or regulatory agencies may implement changes to law and regulation affecting distributed ledger technology and its applications, including the Services and the WMC Tokens. Regulatory actions could negatively impact the Services and the WMC Tokens in various ways, including, for purposes of illustration only, through a determination that the purchase, sale and delivery of the WMC Tokens constitutes unlawful activity or that the WMC Tokens are a regulated instrument that require registration or licensing of those instruments or some or all of the parties involved in the purchase, sale and delivery thereof. The Company may cease operations in a jurisdiction in the event that regulatory actions, or changes to law or regulation, make it illegal to operate in such jurisdiction, or commercially undesirable to obtain the necessary regulatory approval(s) to operate in such jurisdiction.

7. Risk of Uninsured Losses

Unlike bank accounts or accounts at some other financial institutions, WMC Tokens are uninsured unless you specifically obtain private insurance to insure them. Thus, in the event of loss or loss of utility value, there is no public insurer or private insurance arranged by Company, to offer recourse to you.

8. Risks Arising from Taxation

The tax characterization of WMC Tokens is uncertain. You must seek your own tax advice in connection with purchasing WMC Tokens, which may result in adverse tax consequences to you, including withholding taxes, income taxes and tax reporting requirements. You are urged to consult your own tax adviser as to the tax consequences of the ownership and disposition of the WMC Tokens, including the applicability and effect of any other tax laws or tax treaties, and of pending or proposed changes in applicable tax laws, and of any actual changes in applicable tax laws.

9. Risk of Competing Services

It is possible that alternative Services could be established that utilize the same open source code and protocol underlying the Services and attempt to facilitate services that are materially similar to the Services. The Services may compete with these alternatives, which could negatively impact the Services and WMC Tokens, including the utility of the WMC Tokens for obtaining Services.

10. Risk of Insufficient Interest in the Services

It is possible that the Services will not be used by a large number of individuals, companies and other entities or that there will be limited public interest in the creation and development of distributed Services more generally. Such a lack of use or interest could negatively impact the development of the Services and therefore the potential utility of the WMC Tokens, including the utility of the WMC Tokens for obtaining Services. The creation and issue of the WMC Tokens and the development of the Services may be abandoned for a number of reasons, including lack of interest from the public, lack of funding, lack of commercial success or prospects (e.g. caused by competing projects). You therefore understand and accept that there is no warranty or assurance that, even if the Services is partially or fully developed and launched, you will receive any benefits through the WMC Tokens that you hold.

11. Risks Associated with the Development and Maintenance of the Services

The Services is still under development and may undergo significant changes over time. Although we intend for the WMC Tokens and Services to function as described in Exhibit B and intends to take commercially reasonable steps toward those ends, we may have to make changes to the specifications of the WMC Tokens or Services for any number of legitimate reasons. Moreover, we have no control over how other participants will use the Services, what products or services will be offered through the Services by third parties, or how third-party products and services will utilize WMC Tokens (if at all). This could create the risk that the WMC Tokens or Services, as further developed and maintained, may not meet you expectations at the time of purchase. Furthermore, despite our good faith efforts to develop and participate in the Services, it is still possible that the Services will experience malfunctions or otherwise fail to be adequately developed or maintained, which may negatively impact the Services and WMC Tokens, and the potential utility of the WMC Tokens, including the utility of the WMC Tokens for obtaining Services. Company makes no warranties or representations and offers no assurances (in each case whether express or implied) that the WMC Tokens shall confer any actual and/or exercisable rights of use, functionality, features, purpose or attributes in connection with the Services.

12. Risk of an Unfavourable Fluctuation of ETH Value

The Company intends to use the means received from the WMC Token Pre-sale and WMC Token sale to fund the maintenance and development of the Services, as described further in Exhibit B. The means received from the WMC Token Pre-sale and WMC Token sale will be denominated in Ether, and may be converted into other cryptographic and fiat currencies. If the value of ETH fluctuates unfavourably during or after the WMC Token Pre-sale and WMC Token sale, we may not be able to fund development, or may not be able to develop or maintain the Services in the manner that it intended. In addition to the usual market forces, there are several potential events which could exacerbate the risk of unfavourable fluctuation in the value of ETH including uncertainties created by the lack of resolution to the bitcoin scaling debate, the possibility of a so-called "Hard Fork" of bitcoin

if one of the competing camps in the scaling debate decides to force the issue; another DAO-like attack on the Ethereum platform; or significant security incidents or market irregularities at one or more of the major cryptocurrency exchanges.

13. Risk of Hard Fork

The Services will need to go through substantial development works as part of which it may become the subject of significant conceptual, technical and commercial changes before release. As part of the development, an upgrade to the WMC Token may be required (hard-fork of WMC Token) and if you decide not to participate in such upgrade, you may no longer be able to use your WMC Tokens and any non-upgraded WMC Tokens may lose their functionality in full.

14. Risk of Dissolution of the Company or Services

It is possible that, due to any number of reasons, including, but not limited to, an unfavourable fluctuation in the value of ETH (or other cryptographic and fiat currencies), decrease in the WMC Tokens' utility (including their utility for obtaining Services), the failure of commercial relationships, or intellectual property ownership challenges, the Services may no longer be viable to operate or the Company may dissolve.

15. Risks Arising from Lack of Governance Rights

Because WMC Tokens confer no governance rights of any kind with respect to the Services or the Company, all decisions involving the Company's products or Services or the Company itself will be made by the Company at its sole discretion, including, but not limited to, decisions to discontinue its products or the Services, to create and sell more WMC Tokens for using the Services, or to sell or liquidate the Company. These decisions could adversely affect the Services and the utility of any WMC Tokens you owns, including their utility for obtaining Services.

16. Risks Arising from the Crowdsourced Prediction Analytics Market

The crowdsourced prediction analytics industry, and by extension the Services, is subject to a variety of federal, state and international laws and regulations, including those with respect to KYC/AML and customer due diligence procedures, privacy and data protection, consumer protection, data security, and others. These laws and regulations, and the interpretation or application of these laws and regulations, could change. In addition, new laws or regulations affecting the Services could be enacted, which could impact the utility of the WMC Tokens and the Services. Additionally, the Services participants are subject to industry specific laws and regulations or licensing requirements. If any of these parties fails to comply with any of these licensing requirements or other applicable laws or regulations, or if such laws and regulations or licensing requirements become more stringent or are otherwise expanded, it could adversely impact the Services and the WMC Tokens, including the WMC Tokens' utility for obtaining Services.

18. Unanticipated Risks

Cryptographic tokens such as the WMC Tokens are a new and untested technology. In addition to the risks included in this Exhibit C. there are other risks associated with your purchase, sale,

ownership, custody, possession, and use of the WMC Tokens, including those that the Company cannot reasonably foresee. Such risks may further materialize as unanticipated variations or combinations of the risks discussed in this Exhibit C.

19. Sybil & Outsourcing Attacks

Creating multiple (Sybil) identities would theoretically allow for malicious nodes to pretend to store more copies of the same data, but having them stored only once and quickly fetched from the storing location when required to prove they are providing the service. This issue is addressed by establishing a similar mechanism to the Proof-of-Replication introduced in the Filecoin Whitepaper applied to graphs, with the consideration that the data used for the Services is public by design. With these preconditions in place, encryption is used to prove replication and not used to obscure data - it is up to the data creator to encrypt the input information they require to be obscured before inputting data into the system.

20. The 51% Attack

A 51% attack is usually defined as an ability to control an overwhelmingly large amount (at least 51%) of power in a decentralized system (i.e. hashing power in Ethereum), which then grants the ability to manipulate data. In terms of data integrity of the Services, such an attack is not a problem as for each graph it is deterministically verifiable that the data hasn't been changed by comparing the hash extracted from the DH node with the cryptographic fingerprints in the blockchain layer. Additionally, DH nodes are incentivized to store in its proper form in order to be able to prove storage and receive compensation. If a node fails to provide proof of retrievability / replication, it can be easily substituted by another node in the system by the data creator.

21. Byzantine faults

Byzantine faults are defined as faults caused by nodes to deliver supply chain graph data either by being unavailable or having an incorrect data response. An incorrect response is defined as a response that cannot be validated by an appropriate hash fingerprint on the blockchain layer of Services. Because of the data governance consensus of replicating the graph data in data holder nodes (where is the number of distinct supply chain data creator nodes), the probability of failure to deliver the requested data significantly diminishes with the number of involved nodes in the exchange. When a DH node fails to deliver service for a required period of time, the data distribution protocol is used to find a new candidate node and replicate the data to keep the required number of copies of the Services.

22. Eclipse attacks

Isolating a node or a multitude of them from the Services by having all outbound connections reach malicious nodes is called the eclipse attack. This is addressed by using public key hashes as node IDs in Kademia. To eclipse a node for using the Services the attacker has to generate key pairs that position themselves closer in Kademia to the targeted node than its nearest non-malicious neighbour, as well as maintaining that position when new nodes join with closer IDs. This problem

grows in complexity as more nodes are introduced for using the Services and essentially presents a form of proof-of-work problem.

23. Hostage data attacks

A malicious node might refuse to deliver certain graph data in order to extort data owners for additional tokens. This possibility is mitigated by replicating graph data across a multitude of nodes.

TERMS AND CONDITIONS OF WMC TOKEN PRE-SALE

10. January 2018

THESE TERMS AND CONDITIONS OF WMC Token Pre-sale (“Terms”) GOVERN YOUR PURCHASE OF THE WMC TOKENS (“WMC Tokens”) DURING THE WMC TOKEN PRE-SALE (AS DEFINED BELOW) PROVIDED THROUGH THE WEBSITE weekendmillionaires.club and wmc.si (“the Website”).

PLEASE READ THESE TERMS CAREFULLY BEFORE APPLYING FOR THE WMC Token Pre-sale OR PURCHASING ANY WMC TOKENS DURING THE WMC TOKEN PRE-SALE (i.e. CONTRIBUTING ANY AMOUNT OF ETH TO THE INDICATED WALLET ADDRESS), AS THEY AFFECT YOUR OBLIGATIONS AND LEGAL RIGHTS, INCLUDING, BUT NOT LIMITED TO, WAIVERS OF RIGHTS AND LIMITATION OF LIABILITY IN CONNECTION WITH PARTICIPATING IN THE WMC Token Pre-sale AND WMC Token Pre-sale KYC, USING THE WMC PLATFORM OR OTHER SERVICES PROVIDED BY WMC AND ACCEPTING WMC Tokens. BY SELECTING “I AGREE”, APPLYING FOR THE WMC Token Pre-sale OR PURCHASING ANY WMC TOKENS DURING THE WMC TOKEN PRE-SALE, YOU ARE ACKNOWLEDGING THAT YOU HAVE READ THESE TERMS AND YOU ARE AGREEING TO BE BOUND BY THEM. IF YOU DO NOT AGREE TO THESE TERMS, DO NOT APPLY FOR THE WMC Token Pre-sale OR PURCHASE ANY WMC TOKENS DURING THE WMC Token Pre-sale.

Your purchase of WMC Tokens during the WMC Token Pre-sale from WMC, videoprodukcija d.o.o., a private limited company organized under the laws of Slovenia with its identification number 8070881000, tax number SI 15430928 and its business address Toško Čelo 36, 1000 Ljubljana, Slovenia, (referred as the “Company,” “we,” or “us”) is subject to these Terms. Each of you and Company is a “Party” and, together, the “Parties.”

By purchasing WMC Tokens from us during the WMC Token Pre-sale, you will be bound by these Terms and any terms incorporated by reference. If you have any questions regarding these Terms, please contact us at info@wmc.si.

You and Company agree as follows:

1. Definitions

The Capitalized terms defined below in this section will have the meaning assigned to them here throughout this entire document unless explicitly mentioned otherwise:

The Company, we or us mean the company WMC, videoprodukcija d.o.o., a private limited company organized under the laws of Slovenia with its identification number 8070881000, tax number SI 15430928 and its business address Toško Čelo 36, 1000 Ljubljana, Slovenia;

Website mean websites located on the following web addresses: www.wmc.si and www.weekendmillionaires.club ;

Goldenpaper means one of the accompanying documents published by the Company on the Website, describing business plan, roadmap, technical and marketing details of the WMC Token Pre-sale and WMC Token sale, the idea and purpose of the WMC Token, as well as respective pricing and tokens distribution plan;

WMC Token Pre-sale KYC means a procedure of approving and accepting Users which sent their User Credentials to the Company;

Token Pre-sale participants mean Users which sent their User Credentials to the Company in the WMC Token Pre-sale KYC and were accepted to the Token Pre-sale List of participants by the Company;

Token Pre-sale List of participants means a list of all Users which are Token Pre-sale participants;

Ethereum contract address of the Company means a public Ethereum wallet address assigned to the Company and used for the receipt of the Payment Currency in the WMC Token Pre-sale by the Company. Ethereum contract address of the Company represents a Smart Contract System;

WMC Token Pre-sale means a Token Pre-sale of the WMC Tokens which will be held during the Token Pre-sale Period during which the WMC Tokens will be sold to the Users with additional bonus of 50% and will be followed by the WMC Token sale;

Token Pre-sale Period means a time period which will begin at 20:00 CET on 14 January 2018 and end on 20:00 CET on 24 January 2018 or earlier if the maximum WMC Token Pre-sale hard cap is achieved or as decided by the Company;

WMC Tokens mean ERC-20 tokens on Ethereum protocol which will be generated and distributed during the WMC Token Pre-sale and WMC Token sale and will be used for participating in the Events;

WMC Token sale means a token generation event where the WMC Tokens will be generated, sold and distributed to the Users. The WMC Token sale shall begin in May 2018. The exact date of the WMC Token sale will be published on the Website after the WMC Token Pre-sale will be concluded;

Payment Currency means a currency in which the WMC Tokens shall be paid during the WMC Token Pre-sale, regardless of the fact that the price of WMC Token is set in USD. The Payment Currency for the WMC Token Pre-sale is Ethereum ("ETH").

Exchange Rate means the exchange rate at which Payment Currency will be exchanged for USD and will be fixed by the Company for the WMC Token Pre-sale. When calculating the Exchange Rate Payment Currency/USD, the Company will rely on coinmarketcap.com within approximately from one (1) to twelve (12) hours prior to the time of the start of the WMC Token Pre-sale. The Exchange Rate will be published on the Website.

Smart Contract System means parts of these Terms which are directly written into lines of code and are self-executed by the Ethereum network. The code exists across a distributed, decentralized blockchain network. Smart Contract System permits trusted transactions and agreements to be carried out among disparate, anonymous parties without the need for a central authority, legal

system, or external enforcement mechanism. It renders transactions traceable, transparent, and irreversible;

User means an individual or entity who access the Website, participates in WMC Token Pre-sale KYC, in WMC Token Pre-sale or in WMC Token sale or uses the Smart Contract System or Services.

The Events mean luxury events which will be organized and financed by the Company. Everyone that owns a WMC Token(s) will be eligible to register for participation in the Events. More information about the Events is provided in Exhibit A;

The Services mean all services which will be enabled or provided by the Company, relate to the Events, registration as potential participant in the Events or gamification selection process, WMC app, WMC Token Pre-sale, WMC Token sale, Ethereum contract address of the Company, User's WMC Token Address or other services which are available on the Website or described in the Goldenpaper;

WMC app means an application for smart devices and an interface for the Website, through which the Users will register for participation in the Events, access all project- related content, all merchandise as well as have the insight into the project development and the current course of the project. The WMC app will enable creation of the user accounts and generation of token wallets.

Intellectual property means all copyright and other intellectual property rights, including inventions, creations, discoveries, knowhow, processes, marks, signs, designs, methods, compositions, formulae, techniques, information and data, whether or not patentable, copyrightable or protectable as a trademark, patent, design or a copyright work, and any trademarks, copyrights, designs or patents based thereon over all content and other materials contained on Website or provided in connection with the Services, the Company, the Events and WMC Token Pre-sale and WMC Token sale, including, without limitation, the logos and all designs, text, graphics, user interface, visual interface, photographs, pictures, artwork, information, data, software, source code, as well as the compilation thereof, sound files, other files, design, structure, selection, coordination, expression and other content connected to the Website and the selection and arrangement thereof;

Company Parties means the Company's respective past, present and future employees, officers, directors, contractors, consultants, attorneys, equity holders, suppliers, vendors, service providers, parent companies, subsidiaries, affiliates, agents, representatives, predecessors, successors and assigns;

User Credentials mean all personal information and documents from the User provided in the WMC Token Pre-sale KYC procedure to the Company and the Redeem code;

Payment Currency tiers means tiers in the WMC Token Pre-sale KYC procedure, which are divided according to the amount of Payment Currency the Users are willing to contribute in the WMC Token Pre-sale, and which define which personal information and documents the User is obliged to provide to the Company in the WMC Token Pre-sale KYC;

User's WMC Token Address means a public Ethereum wallet address that supports the ERC-20 WMC Token standard from which the Users send their Payment Currency to the WMC Token Pre-sale and to which the WMC Tokens will be sent;

Redeem Code means a code which will be provided by the Company to all the Users which sent their Payment Currency to the WMC Token Pre-sale from their addresses on their crypto currency exchanges and will be required by these Users to redeem their WMC Tokens to their User's WMC Token Address which will be specified in the redeem process.

Force Majeure Event means any governmental or relevant regulatory regulations, acts of God, war, riot, civil commotion, fire, flood, or any disaster or an industrial dispute of workers unrelated to you or the Company. Any act, event, omission, happening or non-happening will only be considered Force Majeure if it is not attributable to the wilful act, neglect or failure to take reasonable precautions of the affected party, its agents, employees, consultants, contractors and sub-contractors.

2. Scope of Terms

These Terms are a legally binding Agreement between you, on the one part, and the Company, on the other part. Unless otherwise stated herein, these Terms only govern your purchase of WMC Tokens from the Company in the WMC Token Pre-sale, WMC Token Pre-sale KYC or just viewing certain pages of the Website, including but without limitation, for the purpose of obtaining WMC Tokens.

These Terms are effective at the time you acknowledge that you have read them and you are agree to be bound by them.

Any use of WMC Tokens in connection with register for participation in the Event or using other Services may be governed by other applicable terms and conditions and policies.

The Company reserves the right, at its own and complete discretion, to modify or to temporarily or permanently suspend or eliminate the Website, and/or disable any access to the Website.

By accepting these Terms, using Website, participating in the WMC Token Pre-sale and/or purchasing WMC Tokens, you covenant, represent, and warrant that: you are of an age of majority to enter into this Agreement, meet all other eligibility and residency requirements, and are fully able and legally competent to enter into the terms, conditions, obligations, affirmations, representations, and warranties set forth herein and to abide by and comply herewith.

Natural persons and legal entities that are not capable of holding legal rights and obligations are not allowed to participate in the WMC Token Pre-sale. If the Company becomes aware that such natural person or legal entity was accepted to the Token Pre-sale List of participants, it will remove such Token Pre-sale List Participant from the Token Pre-sale List of participants, refund its payment contribution and block his User's WMC Token Address.

By transferring Payment Currency to the Ethereum contract address of the Company and/or accepting WMC Tokens, you expressly agree to all of the terms and conditions set forth in Smart Contract System existing on the Ethereum blockchain, which is incorporated by reference herein.

You further confirm to have carefully reviewed the Smart Contract System, its functions and the terms and conditions applicable for the Smart Contract System.

You shall not use the Website or participate in WMC Token Pre-sale if such use is prohibited under applicable law. In particular, should any limitation or prohibition as to your acceptance or use of any amount of WMC Tokens exist under applicable law, you shall not enter into this Agreement. You are solely responsible and liable for compliance with applicable law of your jurisdiction and shall indemnify, defend and hold harmless Company Parties from any violation of the applicable law of your jurisdiction.

3. Eligibility - WMC Token Pre-sale KYC

You understand and accept, that participation in the WMC Token Pre-sale will not be possible from a public Ethereum wallet address that has not been previously registered according to the procedure defined herein, unless otherwise specified in these Terms.

In order to be eligible to participate in the WMC Token Pre-sale and purchase the WMC Tokens, you will have to undergo our WMC Token Pre-sale KYC. On the Website, you will be prompted to provide us with your email address. Once you submit your email address, we will process it and send an email to your email address provided in order to verify it. You need to have access to your email address in order to verify it. You will be requested to click on a unique link provided in our email to verify your email address.

Once your email address will be successfully verified you will be prompted to provide us with your personal information depending on the amount of Payment Currency you would like to contribute.

Payment Currency tier 1

In case you would like to contribute up to 8,00 Payment Currency you will be required to provide your name, address of your permanent residence, email address, your country of tax residency and User's WMC Token Address.

Payment Currency tier 2

In case you would like to contribute more than 8.00 Payment Currency you will be required to provide you name, address of your permanent residence, email address, your country of tax residency, User's WMC Token Address and a copy of your personal identification document.

Only Users from the Payment Currency tier 1 will be enabled to send their Payment Currency to the WMC Token Pre-sale from their address on any crypto currency exchange (i.e., Poloniex, Coinbase, Bitfinex, etc). The Users which will select this option will not be required to provide their User's WMC Token Address in the WMC Token Pre-sale KYC procedure. We reserve the right to prescribe additional guidance regarding specific wallet requirements.

Once you will provide to us all the above User Credentials we will process your WMC Token Pre-sale KYC application. It is in our sole discretion to select which participants among the once which provided us with their User Credentials in the WMC Token Pre-sale KYC and for what amount of

Payment Currency will be accepted to the Token Pre-sale List of participants and approved as Token Pre-sale participants. The Company has absolute discretion and may reject you and any amount of Payment Currency you paid for any reason or no reason at all. The final decision who and for what amount of Payment Currency will be added to the Token Pre-sale List of participants will be made by us as soon as technically possible, but not later than three days after we will receive your User Credentials. Only Token Pre-sale participants will be provided with a welcoming email which will instruct you how to proceed with the purchase of the WMC Tokens.

You confirm by using the WMC Token Pre-sale and providing your User Credentials to the Company, that all information provided within the WMC Token Pre-sale KYC is true and accurate and that that you do not act on behalf of any third party.

Upon our request, you will immediately provide to us any information and documents that we, in its sole discretion, deem necessary or appropriate to comply with any laws, regulations, rules or agreements, including without limitation judicial process. Such documents include, but are not limited to, passport, driver's license, utility bills, photographs of associated individuals, government identification cards, or sworn statements. You consent that you will disclose such information and documents to us in order to comply with applicable laws, regulations, rules or agreements. You acknowledge that we may refuse to distribute WMC Tokens to you until such requested information is provided.

4. WMC Token Pre-sale

The Company will sell WMC Tokens in the WMC Token Pre-sale only to the Token Pre-sale participants. Only Token Pre-sale participants will be eligible to purchase the WMC Tokens during the WMC Token Pre-sale according to their Payment Currency tier.

The Company will conduct WMC Token Pre-sale during the Token Pre-sale Period.

In the welcoming email, you will be provided with public Ethereum contract address of the Company which will be used for the WMC Token Pre-sale. The Users which will send their Payment Currency to the WMC Token Pre-sale from their wallet address of any crypto currency exchange will be provided with a different public Ethereum contract address of the Company which will be used in their case for the WMC Token Pre-sale. Please do not send any Payment Currency to the address if you see any discrepancies. No third-party provider has been allowed, authorized or endorsed by the Company for the distribution of WMC Tokens.

During the WMC Token Pre-sale the bonus for the exclusive duration of the Token Pre-sale Period is 50%, which means that all participants in the WMC Token Pre-sale receive additional 50% of WMC Tokens. The USD price per one (1) WMC Token during the WMC Token Pre-sale is \$5. While the WMC Token price is set in USD, you must pay for WMC Tokens in Payment Currency.

You must pay the purchase price for the WMC Tokens in Payment Currency by sending the Payment Currency to the public Ethereum contract address of the Company provided to you in the welcoming email. You will be entitled to the amount of WMC Tokens which equals to the amount of Payment Currency you sent to the Ethereum contract address of the Company multiplied by the Exchange

Rate and divided by the USD price of one (1) WMC Token (5 USD). In addition to this amount you will be entitled to additional 50% of WMC Tokens as the WMC Token Pre-sale bonus.

If you will be sending your Payment Currency to the WMC Token Pre-sale from your wallet address on your crypto currency exchange you will be provided with a Redeem code at the latest fourteen (14) days after the WMC Token Pre-sale will be concluded.

Your purchase is not guaranteed until we receive the amount of the Payment Currency you sent to the Ethereum contract address of the Company. If we have not received your payment of the Payment Currency within the Token Pre-sale Period, we reserve the right to void your purchase request and refuse to accept your payment. For the avoidance of doubt, your payment of the Payment Currency will be deemed to be paid once we have received three (3) network confirmations of the transaction. We reserve the right, in our sole discretion, to modify any of the timelines and procedures described herein to account for network congestion or other technical challenges.

After we receive your contribution we will process it, check if your contribution amount corresponds to Payment Currency tier and accept or deny your amount of Payment Currency. Accordingly, we will add your actual amount of Payment Currency contributed to the Token Pre-sale List of participants.

The Company anticipates that WMC Tokens, based on the funds raised during the WMC Token Pre-sale, will be generated, distributed and delivered fourteen (14) days after the WMC Token Pre-sale is completed. The Company reserves the right to extend the WMC Token delivery date for up to two (2) additional weeks if necessary to address any unanticipated technical difficulties and issues or security issues. For the avoidance of doubt, any extension of the WMC Token delivery shall not affect the obligation of the Company and you to make and take delivery, respectively, of WMC Tokens purchased. Although the Company does not anticipate any technical difficulties and issues or security issues arising from the WMC Token Pre-sale, these two (2) additional weeks timeframe is intended as a precautionary buffer period for Company to resolve any such technical difficulties and issues or security issues.

The Users which sent their Payment Currency to the WMC Token Pre-sale from their wallet address on any crypto currency exchange will be able to redeem their WMC Tokens after the WMC Tokens will be generated, distributed and delivered to the Users which sent their Payment Currency to the WMC Token Pre-sale from User's WMC Token Address. In order to redeem the WMC Tokens the User will be required to submit his Redeem code and his User's WMC Token Address in to the special redeem form located on the Website. Once the User will complete and submit the redeem form the Company will, at the latest in one week after the User submitted his redeem form, check all the User Credentials, check if User's contribution amount corresponds to Payment Currency tier and accept or deny his amount of Payment Currency. If the company will accept such User and his amount of Payment Currency the WMC Tokens will be distributed and delivered to such User at the latest in fourteen (14) days after acceptance.

The WMC Tokens distributed during the WMC Token Pre-sale contribution period will not exceed 3% of all the available WMC Tokens assigned to the contributors including 50% WMC Tokens which will be distributed as bonuses. With other words, during the WMC Token Pre-sale not more than total of 600.000 WMC Tokens (400.000 WMC Tokens available for purchase and 200.000 WMC Tokens for bonuses) out of 20.000.000 WMC Tokens will be distributed. In case the maximum number of

available WMC Tokens for the WMC Token Pre-sale are not sold in the WMC Token Pre-sale, the remaining WMC Tokens will be added to the WMC Token supply available in the WMC Token Crowdsale.

The funds raised during the WMC Token Pre-sale will be used as described in the Exhibit A. If the funds raised during the WMC Token sale do not reach the minimum target for the WMC Token sale by the termination of the WMC Token sale, the Smart Contract System will not deliver WMC Tokens to the contributors in the WMC Token sale and will instead return the payment received during the WMC Token sale from Users to the User's WMC Token Address. In that circumstance, the Company will not return the payments received during the WMC Token Pre-sale from Users as they will be used according to the WMC Token Pre-sale goals described in the Exhibit A and we will have no further obligations to Users, under these Terms or any other agreement.

You agree not to share your User Credentials and public Ethereum contract address of the Company provided in the welcoming email with any other person for the purpose of facilitating their unauthorized access to the WMC Token Per-Sale. If you do share your User Credentials with anyone we will consider their activities to have been authorized by you. You alone are responsible for any acts or omissions that occur during the WMC Token Per-Sale through the use of your User Credentials or your User's WMC Token Address. We reserve the right to suspend or block your access to the WMC Token Per-Sale upon suspicion of any unauthorized access or use, or any attempt thereof, by anyone using your User Credentials or your User's WMC Token Address. You may lose all your payments if made from the suspended or blocked User's WMC Token Address or using suspended or blocked User Credentials.

At any time during the Token Pre-sale Period and at its sole discretion, Company may by notice on the Website, temporarily or permanently suspend the WMC Token Per-Sale for technical or security reasons and such suspension shall take effect from the moment of publication of such notice until the same is updated or removed from the Website. You agree not to send any contributions in any Payment Currency during such a suspension period and accept the risk that any contribution sent during such a suspension period may be lost in its entirety. Company is not responsible or liable for returning or refunding any losses incurred by you due to sending a contribution during a suspension period.

If the Company will at its sole discretion or as fulfillment of its obligations according to these Terms return the User's contribution to the User for any reason, the User will be obliged to pay any transaction fees and other costs related to such return or transaction.

Important information about the procedures and material specifications of the Company, the Events and WMC Tokens is provided in Exhibit A. By participating in the WMC Token Per-Sale and purchasing WMC Tokens, you acknowledge that you have read, understand, and have no objection to Exhibit A.

5. Purpose and Use of WMC Tokens

WMC Tokens have no rights, uses or attributes outside of scope of the Services.

WMC Tokens distributed in the WMC Token Pre-sale will not be transferable and the Users will not be able to send them to other wallets until the end of the WMC Token sale. This restriction will be eliminated after the conclusion of the WMC Token sale.

The WMC token is going to be distributed on the Ethereum blockchain to obtain initial funding for the Company's project. Token holders are going to form our community, which will be able to influence the direction of the project and participate in the events. To register as potential participants for the event, token holders are required to send the WMC Tokens to the event-generated smart contract, all done through our user friendly interface and/or mobile app. Based upon the results of "gamification", six participants will be selected for the event. WMC tokens can be acquired in the WMC Token Per-Sale or in the WMC Token sale. Nevertheless, the Company gives no warranties that WMC Token will be exchangeable on specific platforms or that it shall remain exchangeable on the exchanges.

WMC Tokens are not securities as defined under applicable laws of Slovenia. Therefore, the WMC Tokens have not been registered with any competent regulator. WMC Tokens may not be offered, sold or otherwise transferred, encumbered or otherwise used except as permitted under applicable laws.

Important information about the procedures and material specifications of the Company, Events and WMC Tokens is provided in Exhibit A. By participating in the WMC Token Per-Sale and purchasing WMC Tokens, you acknowledge that you have read, understand, and have no objection to Exhibit A.

6. Possible Migration of WMC Tokens.

WMC Tokens are being created as ERC-20 tokens on the Ethereum protocol. We reserve the right to migrate the ERC-20 based WMC Tokens to another protocol and to generate replacement WMC Tokens on the new protocol in the future, should we determine, in our sole discretion, that doing so is necessary or useful of our operation and organizing the Events.

Should we decide to migrate the WMC Tokens, we will notify you via the email address you provided to us during the WMC Token Pre-sale KYC.

7. WMC Token Creation and Allocation

All WMC Tokens sold in the WMC Token Pre-sale will be created and distributed according to the rules of the WMC Token sale defined in the Exhibit B, unless otherwise specified in the Section 4 and Section 5 of these Terms. By participating in the WMC Token Per-Sale and purchasing WMC Tokens, you acknowledge that you have read, understand, and have no objection to the Exhibit B.

8. Refusal of Purchase Requests

All purchases of WMC Tokens from us and/or your acceptance of WMC Tokens during the WMC Token Pre-sale are final, and there are no refunds or cancellations except as set forth herein or as may be required by applicable law or regulation. We reserve the right to refuse or cancel WMC Token

purchase requests at any time in our sole discretion. To the greatest extent legally possible, the User hereby waives any statutory or contractual right to withdraw from, or to rescind, these Terms. To the extent the Company, in its sole discretion, decides to make a refund, any refunds will be made in the Payment Currency not in USD or any other fiat currency. We are not responsible for any delays, losses, costs, non-delivery of refunds or of WMC Tokens, or other issues arising from the failure to provide, or providing an inaccurate or incomplete User's WMC Token Address.

You acknowledge and agree that these Terms are in respect of distance contracts excluded from the right of withdrawal since they concern the supply of goods for which the price is dependent on fluctuations in the market which cannot be controlled by us and which may occur within the withdrawal period.

You acknowledge and agree, in addition and without limitation to any other applicable exceptions, that the exception regarding the digital content on a non-tangible medium in respect of distance sales applies since these Terms concerns the supply of digital content on a non-tangible medium. You hereby waive the right to withdrawal from these Terms in a period of 14 days. Furthermore you give the express consent and acknowledge that you thereby lose your right of withdrawal.

9. Acknowledgment and Assumption of Risks.

You acknowledge and agree that there are risks associated with purchasing, holding, owning, and using WMC Tokens, participating in the WMC Token Pre-sale, with the provision or receipt of Services and accessing or using the Website, as disclosed and explained in Exhibit C. BY PURCHASING WMC TOKENS, YOU EXPRESSLY ACKNOWLEDGE AND ASSUME THESE RISKS.

10. Security

You are responsible for implementing reasonable measures for securing the User's WMC Token Address, your wallet, vault, or other storage mechanism you use to receive and hold WMC Tokens purchased from us, including any requisite private key(s) or other credentials necessary to access such storage mechanism(s). If your private key(s) or other access credentials are lost, you may lose access to your WMC Tokens. We are not responsible or liable for any losses, costs, or expenses relating to lost access credentials.

11. Personal Information

As part of the WMC Token Pre-sale KYC, we may request certain information about you in order to distribute WMC Tokens to you. If you do not provide the information requested by us, then we may be unable to distribute WMC Tokens to you.

We may determine, in our sole discretion, that it is necessary to obtain additional information about you which were not obtained during the WMC Token Pre-sale in order to comply with applicable laws or regulations in connection with selling WMC Tokens to you. You agree to provide us such information promptly upon request and acknowledge that we may refuse to sell or distribute WMC Tokens to you until you provide such requested information and we have determined that it is permissible to sell you WMC Tokens under applicable laws or regulations.

Please refer to our Privacy Policy published on the Website for information about how we collect, use and share your information obtained during the WMC Token Pre-sale and WMC Token Pre-sale KYC.

12. Taxes

It is your responsibility to determine what, if any, taxes apply to your participation in the WMC Token Pre-sale or purchase of WMC Token, for example, sales, use, value added, and similar taxes. It is your responsibility to withhold, collect, report and remit the correct taxes to the appropriate tax authority and all your factual and potential tax obligations are your concern. You agree that the Company is not in any case and under no conditions responsible for determining whether taxes apply to your participation in the WMC Token Pre-sale or purchasing WMC Tokens or for collecting, reporting, withholding or remitting any sales, use, value added, or similar taxes arising from participation in the WMC Token Pre-sale or purchasing WMC Tokens. You also agree that the Company is not in any case and under no conditions bound to compensate for your tax obligation, to give you any advice related to tax issues or to act and cooperate in any proceeding, in which you would claim or enforce tax benefits under any bilateral or multilateral tax agreement or under any other national or international tax regime.

Any amounts that you pay for WMC Tokens are exclusive of any applicable taxes and shall certain taxes be applicable, they shall be added on top of the payable amounts. Upon our request, you will provide to us any information that we reasonably request to determine whether we are obligated to collect VAT from you, including your VAT identification number. If any deduction or withholding is required by law, you will notify the Company and will pay the Company any additional amounts necessary to ensure that the net amount received by the Company, after any deduction and withholding, equals the amount the Company would have received if no deduction or withholding had been required. Additionally, you will provide the Company with documentation showing that the withheld and deducted amounts have been paid to the relevant taxing authority.

13. Representations and Warranties

The Company warrants that the Services and participant selection process will not classify as gambling according to any applicable law.

By sending Payment Currency to purchase WMC Tokens from us, you represent and warrant that:

- a. You have read and understand these Terms (including all Exhibits);
- b. YOU ACKNOWLEDGE AND AGREE THAT THERE ARE RISKS ASSOCIATED WITH PURCHASING, HOLDING, OWNING AND USING WMC TOKENS, WITH THE PROVISION OR RECEIPT OF SERVICES AND ACCESSING OR USING THE WEBSITE (BUT NOT NECESSARILY LIMITED TO) THE RISKS DESCRIBED IN EXHIBIT C;
- c. You have sufficient understanding of technical and business matters (including those that relate to the Services and the Events), cryptographic tokens, token storage mechanisms (such as token wallets), and blockchain technology to understand these Terms and to appreciate the risks and implications of purchasing WMC Tokens;

- d. You know how to manage these digital technologies, and you are solely responsible for any evaluations, decisions and actions you make concerning cryptographic tokens, cryptocurrencies and blockchain-based systems;
- e. You have necessary and relevant experience and knowledge to deal with cryptographic tokens, cryptocurrencies and Blockchain-based systems to competently enter into this Agreement;
- f. You understand the restrictions and risks associated with the creation of WMC Tokens as set forth herein, and acknowledge and assume all such risks;
- g. You have obtained sufficient information about the WMC Tokens, the Services and the Events to make an informed decision to purchase WMC Tokens;
- h. You understand with regard to WMC Tokens no market liquidity may be guaranteed and that the value of WMC Tokens over time may experience extreme volatility or depreciate in full;
- i. You understand that if the funds raised during the WMC Token sale do not reach the minimum target for the WMC Token sale by the termination of the WMC Token sale, the Company will not return you the amount of Payment Currency you contributed in the WMC Token Pre-sale, as the funds raised during the WMC Token Pre-sale will be used as described in the Exhibit A.
- j. You understand that your WMC Tokens purchased in the WMC Token Pre-sale could be unusable if the funds raised during the WMC Token sale do not reach the minimum target for the WMC Token sale by the termination of the WMC Token sale.
- k. You have carefully reviewed and understand the Smart Contract System, its functions and the terms and conditions applicable for the Smart Contract System;
- l. You will fully comply with the WMC Token Pre-sale KYC as described in Section 3, the WMC Token Pre-sale as described in Section **Napaka! Vira sklicevanja ni bilo mogoče najti.** and the WMC Token sale procedures as described in Exhibit B and provide the Company with true, exact and current information and data the Company requests from you.
- m. You understand that the WMC Tokens confer only the right to register as potential participant for the Event, and confer no other rights of any form with respect to the Company, including, but not limited to, any ownership, distribution, redemption, liquidation, proprietary (including all forms of intellectual property), or other financial or legal rights;
- n. You understand, agree and accept that while the individuals and entities, including the Company, assigned to this task will make reasonable efforts to organize Events, it is possible that such development may fail and your WMC Tokens become useless and/or valueless due to technical, commercial, regulatory or any other reasons;

- o. You are aware of the risk that even if all or parts of the Company's project, the Services, WMC app and Events are successfully developed and released in full or in parts, due to a lack of public interest, the Company's project or the Services could be fully or partially abandoned, remain commercially unsuccessful or be shut down for lack of interest, regulatory or other reasons. You therefore understand and accept that the transfer of Payment Currency to the relevant Smart Contract System, the creation of WMC Tokens by the Smart Contract System and/or and the acceptance of WMC Tokens carry significant financial, regulatory and/or reputational risks, including the complete loss of value of created WMC Tokens, if any, and attributed features of the Events or Company's project;
- p. You are purchasing WMC Tokens solely for the purpose of obtaining the right to register as potential participant for the Event, and supporting the development, testing, deployment and operation of the Company's project, being aware of the commercial risks associated with the Company and the Company's project. You are not purchasing WMC Tokens for any other purposes, including, but not limited to, any investment, speculative or financial purpose;
- q. Your purchase and acceptance of WMC Tokens complies with applicable laws and regulations in your jurisdiction, including, but not limited to, (i) legal capacity and any other threshold requirements in your jurisdiction for the purchase and acceptance of the WMC Tokens and entering into contracts with the Company, (ii) any foreign exchange or regulatory restrictions applicable to such purchase and acceptance, and (iii) any governmental or other consents that may need to be obtained;
- r. You will comply with any applicable tax obligations in your jurisdiction arising from your purchase and acceptance of WMC Tokens;
- s. If you are purchasing WMC Tokens on behalf of any entity, you are authorized to accept these Terms on such entity's behalf and that such entity will be responsible for breach of these Terms by you or any other employee or agent of such entity (references to "you" in these Terms refer to you and such entity, jointly);
- t. You are not citizen, lawful permanent resident or domiciled in the United States of America, Canada, South Korea, Singapore, China, or in any jurisdiction or country where such distribution, purchase, ownership, sale, acceptance or usage of WMC Tokens, participation in the WMC Token Pre-sale or usage of the Services would be contrary to any law or regulation, or which would subject the Company, including their affiliates, or any of their products or services to any registration, licensing or other authorization requirement within such jurisdiction or country. In order to receive WMC Tokens you covenant, represent, and warrant that none of the owners of the company, of which you are an authorized officer, are citizens or permanent residents of these countries, nor do they have a primary residence or domicile in these countries. The Company shall reserve the right to refuse distributing WMC Tokens to anyone who does not meet the required criteria as set out hereunder and by the applicable law. In particular, the Company may refuse distributing WMC Tokens to citizens, permanent residents of these countries and those who do not meet criteria specified in this Section 13 and the Terms. You agree that

if your country of residence or other circumstances change such that the above representations are no longer accurate, that you will immediately cease using the Services and log out as potential participant for the Event.

- u. If you are registering to use the Services on behalf of a legal entity, you further represent and warrant that (i) such legal entity is duly organized and validly existing under the applicable laws of the jurisdiction of its organization, and (ii) you are duly authorized by such legal entity to act on its behalf.
- v. Making a contribution and receiving WMC Tokens under these Terms is not unlawful or prohibited under the laws of your jurisdiction or under the laws of any other jurisdiction to which you may be subject and any contribution shall be made in full compliance with applicable laws (including, but not limited to, in compliance with any tax obligations to which you may be subject in any relevant jurisdiction);
- w. Any contribution to be made by you for the purchase of WMC Tokens is not derived from or related to any unlawful or unethical activities, including but not limited to money laundering or terrorist financing activities;
- x. You shall not use the WMC Tokens to finance, engage in, or otherwise support any unlawful activities, including but not limited to money laundering and the financing of terrorism;
- y. Your Payment Currency shall be transferred to Company from a digital wallet that: (i.) is registered in your name or in the name of a person who is duly authorized by you to transfer the Payment Currency and is eligible to do so under Section 3 and Section **Napaka! Vira sklicevanja ni bilo mogoče najti**.4; (ii.) is not located in or that is not registered in the name of a person located in or resident of any country or territory that has been designated by the Financial Action Task Force as a “non-cooperative country or territory”; (iii.) technically supports WMC Tokens. You understand and accept, that failure to assure this may have the result that you will not gain access to your WMC Tokens;
- z. You waive the right to participate in a class action lawsuit or a classwide arbitration against any Company Parties and any entity or individual related to these Terms and the creation, issuance, distribution, acceptance and use of WMC Tokens.

14. Indemnification

To the fullest extent permitted by applicable law, you will indemnify, defend and hold harmless the Company and its Company Parties from and against all claims, demands, actions, damages, losses, liabilities, costs and expenses (including attorneys' fees) that arise from or relate to (i) any third-party claim concerning these Terms, (ii) your use of, or conduct in connection with WMC Token Pre-sale, WMC Token sale, Services, (iii) any feedback you provide, (iv) your purchase, acceptance or use of the WMC Tokens, (v) your responsibilities or obligations under these Terms (vi) your violation of these Terms, (vii) or your violation of any rights of any other person or entity. If you are obligated to indemnify us, we will have the right, in our sole discretion, to control any action or proceeding (at our

expense) and determine whether we wish to settle it. If we are obligated to respond to a third-party subpoena or other compulsory legal order or process described above, you will also reimburse us for reasonable attorney fees, as well as our employees' and contractors' time and materials spent responding to the third-party subpoena or other compulsory legal order or process at reasonable hourly rates.

The Company reserves the right to exercise sole control over the defence, at your expense, of any claim subject to indemnification under Section 14. This indemnity is in addition to, and not in lieu of, any other indemnities set forth in a written agreement between you and the Company.

You will promptly notify us of any third-party claims, actions, or proceedings which you become aware of that involves the Company as a result of these Terms. The Company may participate with counsel of its own choosing in any proceedings describing above.

15. Disclaimers

TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW AND EXCEPT AS OTHERWISE SPECIFIED IN A WRITING BY US, (A) THE WMC TOKENS ARE SOLD ON AN "AS IS" AND "AS AVAILABLE" BASIS WITHOUT WARRANTIES OF ANY KIND, AND WE EXPRESSLY DISCLAIM ALL IMPLIED WARRANTIES AS TO THE WMC TOKENS, INCLUDING, WITHOUT LIMITATION, IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE AND NONINFRINGEMENT, (B) WE DO NOT REPRESENT OR WARRANT THAT THE WMC TOKENS ARE RELIABLE, CURRENT OR ERROR-FREE, MEET YOUR REQUIREMENTS, OR THAT DEFECTS IN THE WMC TOKENS WILL BE CORRECTED, AND (C) WE CANNOT AND DO NOT REPRESENT OR WARRANT THAT THE WMC TOKENS OR THE DELIVERY MECHANISM FOR WMC TOKENS ARE FREE OF VIRUSES OR OTHER HARMFUL COMPONENTS.

Some jurisdictions do not allow the exclusion of certain warranties or disclaimer of implied terms in contracts with consumers, so some or all of the exclusions of warranties and disclaimers in this Section 15 may not apply to you.

Neither these Terms nor the Goldenpaper constitute a prospectus, offering document or private placement memorandum of any sort and are not an offer to sell, nor the solicitation of an offer to buy any investment or financial instrument in any jurisdiction and does not pertain in any way to an initial public offering or a share/equity offering and does not pertain in any way to an offering of securities in any jurisdiction. The WMC Tokens are not being structured or sold as securities or any other form of investment product. WMC Token is not an investment, investment product or investment advice.

WMC Token does not have the legal qualification as a security, since it does not give any rights on dividends or interest, any ownership right or stake share or equivalent rights or any right to receive future revenue shares, or any other form of participation in or relating to the Company, nor shall WMC Tokens holders have any influence or rights in the development or governance of the Company. WMC Token is not a share and does not give any right to participate in the general meetings of the Company.

WMC Tokens should not be acquired for speculative or investment purposes with the expectation of making a profit on immediate or future re-sale. There are no guarantees regarding the value of the

WMC Token and there is no reason to believe that WMC Token will increase in value, and they might also decrease in value or lose their value entirely.

No regulatory authority has examined or approved of any of the information set out in these Terms and/or the Goldenpaper. No such action has been or will be taken under the laws, regulatory requirements or rules of any jurisdiction. The publication, distribution or dissemination of these Terms and/or the Goldenpaper does not imply that applicable laws, regulatory requirements or rules have been complied with.

While every effort will be made by the Company to ensure that information contained on the Website or regarding the Services is correct, the Company disclaims (to the extent permitted by applicable laws) all warranties regarding the accuracy, adequacy, correctness, completeness, reliability, timeliness, non-infringement, title, merchantability or fitness of any information on the Website and/or regarding the Services.

16. Limitation of Liability

TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW (I) IN NO EVENT WILL THE COMPANY OR ANY OF THE COMPANY PARTIES BE LIABLE TO YOU OR ANYONE ELSE FOR ANY INDIRECT, SPECIAL, INCIDENTAL, CONSEQUENTIAL, OR EXEMPLARY DAMAGES OF ANY KIND (INCLUDING, BUT NOT LIMITED TO, WHERE RELATED TO LOSS OF REVENUE, INCOME OR PROFITS, LOSS OF USE OR DATA, OR DAMAGES FOR BUSINESS INTERRUPTION) ARISING OUT OF OR IN ANY WAY RELATED TO THE SALE OR USE OF THE WMC TOKENS OR OTHERWISE RELATED TO THESE TERMS, REGARDLESS OF THE FORM OF ACTION, WHETHER BASED IN CONTRACT, TORT (INCLUDING, BUT NOT LIMITED TO, SIMPLE NEGLIGENCE, WHETHER ACTIVE, PASSIVE OR IMPUTED), OR ANY OTHER LEGAL OR EQUITABLE THEORY (EVEN IF THE PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES AND REGARDLESS OF WHETHER SUCH DAMAGES WERE FORESEEABLE), AND (II) IN NO EVENT WILL THE AGGREGATE LIABILITY OF THE COMPANY AND THE COMPANY PARTIES (JOINTLY), WHETHER IN CONTRACT, WARRANTY, TORT (INCLUDING NEGLIGENCE, WHETHER ACTIVE, PASSIVE OR IMPUTED), OR OTHER THEORY, ARISING OUT OF OR RELATING TO THESE TERMS OR THE USE OF OR INABILITY TO USE THE WMC TOKENS, EXCEED THE AMOUNT YOU PAY TO US FOR THE WMC TOKENS.

THE LIMITATIONS SET FORTH IN SECTION 16 WILL NOT LIMIT OR EXCLUDE LIABILITY FOR THE GROSS NEGLIGENCE, FRAUD OR INTENTIONAL, WILLFUL OR RECKLESS MISCONDUCT OF THE COMPANY.

The Company or any of the Company Parties will not be responsible for any compensation, reimbursement, or damages arising in connection with: (i) your inability to participate in the WMC Token Pre-sale, use the Services, including without limitation as a result of any termination or suspension of the Website or these Terms, power outages, maintenance, defects, system failures, mistakes, omissions, errors, defects, viruses, delays in operation or transmission or any failure of performance, (ii) the cost of procurement of substitute goods or services, (iii) any your investments, expenditures, or commitments in connection with these Terms or your participation in the WMC Token Pre-sale or use of the Services, (iv) your reliance on any information obtained from the Company, (v) Force Majeure Event, communications failure, theft or other interruptions or (vi) any unauthorized

access, alteration, deletion, destruction, damage, loss or failure to store any data, including records, private key or other credentials, associated with WMC Token Pre-sale, WMC Token sale, Services, User Credentials, Ethereum contract address of the Company and User's WMC Token Address.

WMC Token Pre-sale, WMC Token sale, Services and the information, products, and services included in or available through Website may include inaccuracies or typographical errors. Changes are periodically added to the information herein. The Company may make improvements or changes on the Website at any time. No information provided to you by the Company shall be considered or construed as advice.

Some jurisdictions do not allow the limitation or exclusion of liability for incidental or consequential damages. Accordingly, some of the limitations of this Section 16 may not apply to you.

17. Release

To the fullest extent permitted by applicable law, you release the Company and the other Company Parties from responsibility, liability, claims, demands and/or damages (actual and consequential) of every kind and nature, known and unknown (including, but not limited to, claims of negligence), arising out of or related to disputes between the Parties or participants in the WMC Token Pre-sale, Services and the acts or omissions of any third parties. You expressly waive any rights you may have under any relevant law or legal principle that would otherwise limit the coverage of this release to include only those claims which you may know or suspect to exist in your favour at the time of agreeing to this release.

18. Dispute Resolution and Governing Law

All questions concerning the construction, validity, enforcement and interpretation of this Agreement and all issues related to WMC Tokens shall be governed by and construed and enforced in accordance with the laws of Slovenia, without regard to its conflict of law provisions or principles that would cause the application of the laws of any other jurisdiction, with exclusive venue for any litigation or other dispute resolution proceeding to be held before the courts of Slovenia.

The place of fulfilment for any of the rights and obligations of you and the Company under these Terms shall be Ljubljana, Slovenia.

To resolve any dispute, controversy or claim between them arising out of or relating to this Agreement, or the breach thereof, the Parties agree first to negotiate in good faith for a period of not less than sixty (60) days following written notification of such controversy or claim to the other Party.

If the negotiations do not resolve the dispute, controversy or claim to the reasonable satisfaction of all Parties during such period, then the Parties irrevocably and unconditionally submit to the exclusive jurisdiction and venue of Slovenian courts to resolve the dispute.

19. Intellectual property

The Company has valid, unrestricted and exclusive ownership of rights to use the patents, trademarks, trademark registrations, trade names, designs, copyrights, know-how, technology and

other intellectual property necessary to the conduct of selling of the WMC Tokens, developing and enabling the Services, Website, the Events and the Company's activities generally.

The Company retains all Intellectual property. These materials are protected by Slovenian and international copyright laws and other intellectual property right laws. These Terms shall not be understood and interpreted in a way that they would mean assignment of copyright or other intellectual property rights, unless it is explicitly defined so in these Terms.

There are no implied licenses under the Agreement, and any rights not expressly granted to the User hereunder are reserved by the Company.

If for the purpose of any intellectual property right registration of the Company, any documentary submission or any other action is required from the User, the User must provide the Company with the respective assistance without any remuneration for the same.

The Company will own exclusive rights, including all intellectual property rights, to any feedback including, but not limited to, suggestions, ideas or other information or materials regarding Services, Website, the Events, WMC Token Pre-sale and WMC Token sale or related products that you provide, whether by email, posting through Website or otherwise and you irrevocably and exclusively assign any and all intellectual property rights on such feedback unlimited in time, scope and territory (to the extent permitted by applicable laws) so that the Company has the right to dispose with them without any limitations, including their transfer to any third party without seeking your consent. Any feedback you submit is non-confidential and shall become the sole property of the Company. The Company will be entitled to the unrestricted use, reproduction (including in electronic form), modification (whereby you will not retain any rights on your original feedback), or dissemination of such feedback for any purpose, commercial or otherwise, without acknowledgment or compensation to you. You waive any rights you may have to the feedback (to the extent permitted by applicable laws). We have the right to remove any posting you make on Website if, in our opinion, your post does not comply with the content standards defined by these Terms.

20. Communication and support

You agree and consent to receive electronically all communications, agreements, documents, receipts, notices and disclosures that the Company provides in connection with use of the Website, Service, the Events, WMC Token Pre-sale and WMC Token sale or these Terms. You agree that Company may provide these communications to you by posting them via the Website or by emailing them to you at the email address you provide. Any email communication will be considered to be received by you within 24 hours after we email it to you and communication via our Website will be effective upon posting. You should maintain copies of electronic communications by printing a paper copy or saving an electronic copy.

It is your responsibility to keep your email address updated so that your current email address is communicated to the Company and the Company can communicate with you electronically. You understand and agree that if the Company sends you an electronic communication but you do not receive it because your email address is incorrect, out of date, blocked by your service provider, or you are otherwise unable to receive electronic communications, it will be deemed that you have been

provided with the communication. You can update your User Credential any time by sending an email to info@wmc.si

You may give the Company a notice under these Terms by sending an email to info@wmc.si or contact the Company through support located on the Website. All communication and notices pursuant to these Terms must be given in English language.

21. Severability

If any term, provision, covenant, restriction, clause or provision of these Terms is held to be invalid, illegal, unlawful, void or unenforceable, the remainder of the terms, provisions, covenants, restrictions, clauses or provisions set forth herein shall remain in full force and effect and shall in no way be affected, impaired or invalidated, and the Parties hereto shall use their commercially reasonable efforts to find and employ an alternative means to achieve the same or substantially the same result as that contemplated by such term, provision, covenant, restriction, clause or provision. It is hereby stipulated and declared to be the intention of the Parties that they would have executed the remaining terms, provisions, covenants, restrictions, clauses or provisions without including any of such that may be hereafter declared invalid, illegal, void or unenforceable.

22. Miscellaneous

These Terms constitute the entire agreement between you and the Company with respect to the subject matter hereof and substitutes and supersedes any and all previous written or oral statements between you and the Company. No provision of the Terms shall be considered waived unless such waiver is in writing and signed by the Party that benefits from the enforcement of such provision. No waiver of any provision in the Terms, however, will be deemed a waiver of a subsequent breach of such provision or a waiver of a similar provision. In addition, a waiver of any breach or a failure to exercise or enforce any right or provision of these Terms will not in any way affect, limit, or waive a Party's rights hereunder at any time to enforce strict compliance thereafter with every term and condition hereof.

The Company may, at its sole discretion, assign its rights and/or delegate its duties under these Terms. You may not assign your rights or delegate your duties, and any assignment or delegation without the written consent of the Company, which the Company may withhold at its sole discretion, shall be void.

We will not be liable for any delay or failure to perform any obligation under these Terms where the delay or failure results from any cause beyond our reasonable control.

Purchasing WMC Tokens from us does not create any form of partnership, joint venture or any other similar relationship between you and us.

Except as otherwise provided in herein, these Terms are intended solely for the benefit of you and us and are not intended to confer third-party beneficiary rights upon any other person or entity.

Parts of these Terms will be automatically executed by the Smart Contract System. In the event of any inconsistency, the Terms are the original source of the rights and obligations and the Smart

Contract System serves only for the automatic execution of these Terms. Then in case of conflict between the Terms and Smart Contract System, the Terms will prevail and will therefore be the binding version for both parties.

The Company reserves the right to make changes, amendments, supplementations or modifications to these Terms at any time in its sole discretion and for any reason. We suggest that you review these Terms periodically for changes. If we make changes to these Terms, we will provide you with notice of such changes, such as by sending an email, providing notice on the Website or by posting the amended Terms on the Website and updating the date at the top of these Terms. The amended Terms will be deemed effective immediately upon posting for any new Users for participating in the WMC Token Pre-sale and purchasing WMC Tokens. In all other cases, the amended Terms will become effective for pre-existing Users upon the earlier of either: (i) the date Users receives the notice on the Website or their email address, or (ii) continued participation in the WMC Token Pre-sale 15 days after the Company publishes notice of such changes. Any amended Terms will apply prospectively to the WMC Token Pre-sale after such changes become effective.

The notice of change of these Terms is considered as notice of termination of all rights and obligations between you and the Company derived from these Terms, if you do not accept the amended Terms. If you do not agree to any amended Terms and you communicate your disagreement to the Company, the agreement between you and the Company is terminated by expiry of 15 days period which starts after (i) the Company provides you a notice of change of these Terms or the Company publishes notice of such changes and (ii) you communicated your disagreement with the changes. If you do not inform us regarding your disagreement within the 15 days period after the Company provides you a notice of change of these Terms or the Company publishes notice of such changes, we will deem that you agree with the changed Terms.

These Terms are not boilerplate. If you disagree with any of them, believe that any should not apply to you, or wish to negotiate these Terms, please contact the Company and immediately navigate away from the Website. Do not use the Website, Service or other related services and participate in WMC Token Pre-sale or purchase WMC Tokens until you and the Company have agreed upon new terms and conditions.

The rights and remedies conferred on the Company by, or pursuant to, these Terms are cumulative and are in addition, and without prejudice, to all other rights and remedies otherwise available to the Company at law.

Exhibit A

Description of the Company, Services and WMC Tokens

Company

WMC, videoprodukcija d.o.o., a private limited company organized under the laws of Slovenia with its identification number 8070881000, tax number SI 15430928 and its business address Toško Čelo 36, 1000 Ljubljana, Slovenia was founded by Kuzmanoski Denis, Lukman Mark, Stojkovič Matej, Ružič Marko, Milavec Tomaž and Milavec Igor. The Company is represented by its representatives Kuzmanoski Denis, Lukman Mark, Stojkovič Matej and Ružič Marko. The Company seeks to organize Events where only WMC Token holders can register for participation.

Events

When the funds have been raised, we will organize ten exclusive events each year for our Weekend Millionaires Club members. Planned budget for each event (with all company costs included) is approximately 1 million dollars, if we do not raise enough funds for the complete season we reserve the right to decrease the budget for each event and the number of events per season.

Our events will have various themes and will be tailored to the specific taste of our participants. However, no matter the event, you can always expect five-star treatment, the best food, the best company and the time of your life. Events will vary – some of them will take place at exotic places, some in big cities, and some in the best spa resorts. At every event, an influencer best suited for the event will accompany our participants.

Everyone that owns a WMC token(s) can choose to register for participation in our Weekend Millionaires events.

WMC members can register for participation in the Weekend Millionaires Club event by sending WMC tokens to the smart contract where all the collected tokens will be eliminated from the total supply. 6 participants will be selected based upon the results of gamification.

Gamification is the application of game elements and digital game design techniques to non-game problems, such as business and social impact challenges. The participants will get one attempt per each registration, to find the solution to the given puzzle. This makes it fair and simple.

Our team will contact all the selected participants to receive further information. We will contact you, so that you can provide us with your information, age, where are you from etc. Then we will send you an itinerary for the event you were selected to participate in and further information about location and transportation to our location.

The selected participants will be flown first-class to an exclusive location two days before the event, so that you can enjoy your millionaire weekend without jet lag.

The Weekend Millionaires Club will cover all expenses of first-class airplane tickets. When you touch down at our location, members of our team will provide everything for you and take care of you from that moment on.

The Weekend Millionaires Club will cover all transport from the airport to the hotel, all the fees, hotel stays and all the activities and food, according to our itinerary. You don't have to spend a dime.

A celebrity of some sort that is best suited for the specific event will accompany the selected participants at each of our events. Because of the nature of work that influencers do, you can expect that the event will be documented on their social media and YouTube channels.

Because a picture is worth a thousand words, all of our events will be filmed by our professional filming crew and uploaded to our YouTube channel. Each event will be uploaded to our YouTube channel, but we also give the rights to influencers and YouTubers to share our experience on their social media platforms. That way, our club can reach a wider audience and gain global recognition.

WMC Tokens

Token holders are going to form our community, which will be able to influence the direction of the project and participate in the events. To register as potential participants for the event, token holders are required to send the WMC tokens to the event-generated Smart Contract, all done through our user friendly interface and/or mobile app. Based upon the results of "gamification", six participants will be selected for the event.

WMC tokens can be acquired in the Token Pre-sale or in the Token sale.

WMC Charity Fund

In the distribution of WMC tokens, 1% of the created tokens (200,000 WMC) will go to the charity fund. Funds will be donated to world humanitarian organizations or associations that help people, animals and the environment. The selection of humanitarian organizations will take place depending on which issue needs the most attention at the time.

At each event, we will also raise awareness to help the people that are not as fortunate or to take special care of the world that surrounds us. We hope that the people participating in our events will spread the word of giving back and leaving only good vibes, every place we go.

We will also give special attention to charity on our website and in our app, where our members, visitors and viewers will continuously be offered information on how to contribute to our charity fund.

The collected charity funds will be donated to world humanitarian organizations or associations that help people, animals and the environment. The selection of humanitarian organizations will take place depending on which issue needs the most attention at the time. All charity activities will be published on our website, including reports.

Future development

We are planning the development of the WMC app for smart devices (Android and iOS) and an interface for the WMC website. Through the application intended for WMC members, all project-

related content will be available (reporting from the event, behind the scenes, interviews, hostess vlog, etc.) as well as insight into the project development and the current course of the project. Our members will be able to access all the merchandise through the application (online store with WMC products). Each WMC member will be able to create a user account in the app. Each newly created account will have a newly generated wallet (Ethereum protocol – blockchain) where users will be able to send WMC tokens. The app will facilitate the calculation of the required WMC tokens that will need to be sent to a smart contract to register for an event.

Example: A user will transfer 10 WMC tokens to their wallet, which will be integrated into their account. The app will show the available balance, while also calculating the current WMC to USD exchange rate (registration fee is always set at 10 USD and payable in WMC tokens). Additionally, the user will be able to see the number of available registrations for the event given the account balance. They can then simply select the number of registrations they want to apply and the app will take care of the rest (the user does not need to calculate how many WMC tokens need to be sent in order to register for the event, enter the smart contract address or set gas or gwei).

After that, the user will be able to partake in gamification and have the number of attempts that is equal to the number of registrations.

In order to ensure long-term stability of the project, we will develop a secondary business by opening tourist agencies all over the world that will offer a personalized WMC experience.

Roadmap

Apr 2017 Weekend Millionaires Club business idea

Oct 2017 WMC company and brand registration

Nov 2017 Token Pre-sale preparations

DEC 2017 Marketing

Jan 2018 Token Pre-sale

Q1 2018 Video content for ICO purposes, Selection of celebrities and WMC hosts, Planing the first season

Q2 2018 Token sale, Listing on exchanges, WMC iOS & Android App, Pro-bono event

Q3 2018 First event

Q1 2019 WMC travel agencies

PURPOSE OF THE FUNDS

All the funds collected through crowdfunding will be used to implement the WEEKEND MILLIONAIRES CLUB project.

TOKEN PRE-SALE

The funds collected in the Token Pre-sale will be used for:

- Carrying out the free event – the event will be exactly the same to all the future events in terms of execution, with its purpose being promotion and dress rehearsal;
- Recording of all the promotional materials required for the Token sale;

- Marketing and advertisement for the Token sale.
- Employment of the necessary staff
- Running costs
- Travel expenses for business meetings, events, conferences and meetings with celebrities.

If we do not collect sufficient funds to carry out a free event, our plan is to record a POV promotional video, demonstrating how the events will take place.

TOKEN SALE

We are aware of the fact that the main part of income will come from the Token sale. At a later point, we expect revenue from advertisers, YouTube and product placement marketing as well as revenue from our tourist agencies. With success of the project, event costs will be lower (airlines, carriers, hotels, gadgets, accessories, etc.) because it will be in providers' interest that their products and services appear in the show. Nevertheless, we still believe that the majority of funds required for long-term stability of the project need to be obtained through the Token sale. If we assume that we would like to ensure funds for at least 5–7 seasons (50–70 events) and that at least 1 million USD is required for each event, excluding all future revenues of the project, we need to collect funds in accordance with our WMC Token distribution goals (65.5 million USD).

Exhibit B

WMC Token Pre-sale

All contributors will receive a 50% BONUS

In the Token Pre-sale there will be 600,000 WMC Tokens available. 400,000 WMC as Token offerings and 200,000 WMC as bonuses.

The value of the WMC token for the Token Pre-sale is set at 5 USD in the equivalent value of ETH (the exchange rate will be frozen on the date when the Token Pre-sale starts).

The Token Pre-sale will take place on the 14th of January at 20:00 CET.

The Token Pre-sale will run for 10 days or until all the Tokens are sold.

The ETH/USD exchange rate will be locked based on the market exchange rate on coinmarketcap.com within approximately from one (1) to twelve (12) hours prior to the time of the start of the WMC Token Pre-sale – on the 14th of January 2018.

WMC Token sale

In the Token sale there will be 12,700,000 WMC Tokens available. We reserve the right to add the unsold WMC Tokens from the Token Pre-sale to the Token sale.

The value of the WMC Token for the Token sale is set at 5 USD in the equivalent value of ETH (the exchange rate will be frozen on the Token sale starts).

All information and conditions for further Token distribution will be known after the Token Pre-sale ends.

The Token sale is planned for Q2 2018.

The issuance of the WMC Tokens will be controlled by a Smart Contract System deployed on the Ethereum platform. The WMC Token will conform to the ERC20 standard.

There is no soft cap issued for the Token Pre-sale, the hard cap is triggered when all the Tokens on the Token Pre-sale Smart Contract are sold. All unsold WMC Tokens will be added to the Token sale.

The minimum target for the Token sale is set to Ether equivalent of \$5 million while the hard cap will be set at \$63,5 million in total (up to additional sum of the unsold Token Pre-sale tokens). The Token sale price is fixed at 5\$ per 1 WMC Token.

Contributions will be made available in ETH (Ethereum) only. WMC Tokens are non-minable and the WMC Token Creation Smart Contract does not allow any additional WMC Tokens to be created.

Role of WMC Token: Utility

WMC Token supply: 20,000,000

Distributed in the WMC Token Pre-sale: 600,000 WMC (3%)

Distributed in the WMC Token sale: 12,700,000 WMC (63,5%) plus the WMC tokens which were not acquired in WMC Token Pre-sale

Symbol/Ticker: WMC

WMC Token Pre-sale Hard Cap: 2,000,000 USD

WMC Token sale Hard Cap: 63,500,000 USD

Decimals: 18

Initial value: \$5

Blockchain: Ethereum

WMC Tokens distributed to the Team's wallet will be initially locked for a period of 12 months after the WMC Token sale will be concluded and WMC Tokens distributed to the Company reserves will be locked for a period of 24 months after the WMC Token sale will be concluded.

WMC TOKEN DISTRIBUTION

out of up to 20,000,000 WMC Tokens:

- up to 12,700,000 WMC Tokens (63,5%) will be distributed to the contributors in the WMC Token sale;
- up to 3,000,000 WMC Tokens (15%) will be distributed to the Founders, development team and management;
- up to 3,000,000 WMC Tokens (15%) will be intended for the Company reserves;
- up to 600,000 WMC Tokens (3%) will be distributed to the contributors in the WMC Token Pre-sale;
- up to 450,000 WMC Tokens (2,25%) will be intended for the advisors, ambassadors, angel investors;
- up to 200,000 WMC Tokens (1%) will be intended for the Charity fund; and
- up to 50,000 WMC Tokens (0,25%) will be intended for the Bounties.

To sum up 33,5% of WMC Tokens will be distributed to the Company, Funders, Team, Advisors, Charity and Bounties and 66,5% of the WMC Tokens will be available to the public.

The Smart Contract System already generated the WMC Tokens. In due time, after the WMC Token Pre-sale and WMC Token sale reach its hard cap or close after specified elapse of time, whichever occurs first, the WMC Tokens will be released to the contributors. In due time, after the WMC Token sale reaches its hard cap or closes after specified elapse of time, whichever occurs first, the remaining WMC Tokens will be released according to the split outlined above.

In case the WMC Token sale is not successful (i.e. in case less than equivalent of \$5 million is contributed), all contributed funds in the WMC Token sale (but not also in the WMC Token Pre-sale) will be returned to the contributors.

The ownership of the WMC Token does not include the right to:

- ownership of the company
- ownership of the company's intellectual property
- ownership of the service's IP
- profits of the service
- participate in decision making, unless options are put up on voting to WMC Token holders.

Exhibit C

Certain Risks Relating to Purchase, Sale, Ownership, Custody and Use of WMC Tokens and participating in the WMC Token Pre-sale

Important Note: As noted elsewhere in these Terms, the WMC Tokens are not being structured or sold as securities or any other form of investment product. Accordingly, none of the information presented in these Terms or Exhibit C is intended to form the basis for any investment decision, and no specific recommendations are intended. The Company expressly disclaims any and all responsibility for any direct or consequential loss or damage of any kind whatsoever arising directly or indirectly from: (i) reliance on any information contained in this Exhibit C, (ii) any error, omission or inaccuracy in any such information or (iii) any action resulting from such information.

By purchasing, selling, holding, owning, and using WMC Tokens and participating in the WMC Token Pre-sale, you expressly acknowledge and assume the following risks:

1. Risk of Losing Access to WMC Tokens Due to Loss of Private Key(s), Custodial Error or your Error

A private key, or a combination of private keys, is necessary to control and dispose of WMC Tokens stored in your digital wallet or vault. Accordingly, loss of requisite private key(s) associated with your digital wallet or vault storing WMC Tokens will result in loss of such WMC Tokens. Moreover, any third party that gains access to such private key(s), including by gaining access to login credentials of a hosted wallet service you use, may be able to misappropriate your WMC Tokens. Any errors or malfunctions caused by or otherwise related to the digital wallet or vault you choose to receive and store WMC Tokens, including your own failure to properly maintain or use such digital wallet or vault, may also result in the loss of your WMC Tokens. Additionally, your failure to precisely follow the procedures set forth in for buying and receiving WMC Tokens, including, for instance, if you provide an incorrect WMC Token receipt address, or provides an address that is not ERC-20 compatible, may result in the loss of your WMC Tokens.

2. Risks Associated with the Ethereum Protocol

Because WMC Token Pre-sale, WMC Token sale, Smart Contract System, WMC Tokens and other Services are based on the Ethereum protocol, any malfunction, breakdown or abandonment of the Ethereum protocol may have a material adverse effect on the WMC Token Pre-sale, WMC Token sale, Smart Contract System, Services or WMC Tokens. Moreover, advances in cryptography, or technical advances such as the development of quantum computing, could present risks to the WMC Token Pre-sale, WMC Token sale, Smart Contract System, WMC Tokens and Services, including the utility of the WMC Tokens for obtaining Services, by rendering ineffective the cryptographic consensus mechanism that underpins the Ethereum protocol. Smart contracts concepts, the underlying software application and software platform (i.e. the Ethereum blockchain) is still in an early development stage and unproven. There is no warranty or assurance that the process for creating WMC Tokens, WMC Token Pre-sale and WMC Token sale will be uninterrupted or error-free and there is an inherent risk that the software could contain defects, weaknesses, vulnerabilities, viruses or bugs causing, inter alia, the complete loss of Payment Currency contributions and/or WMC Tokens.

3. Risk of Mining Attacks

As with other decentralized cryptographic WMC Tokens based on the Ethereum protocol, the WMC Tokens are susceptible to attacks by miners in the course of validating WMC Token transactions on the Ethereum blockchain, including, but not limited to, double-spend attacks, majority mining power attacks, and selfish-mining attacks. Any successful attacks present a risk to Services and the WMC Tokens, including, but not limited to, accurate execution and recording of transactions involving WMC Tokens. You understand and accept that the miners will ultimately be in control of the delivery of the WMC Tokens via the smart contract mechanism, and that a majority of miners could agree at any point to make changes, updates, modifications to, or effect a deletion or destruction of the smart contract mechanism, and that such a scenario could lead to the WMC Tokens losing intrinsic value and/or functionality.

4. Risk of Hacking and Security Weaknesses

Hackers or other malicious groups or organizations may attempt to interfere with the WMC Token Pre-sale, WMC Token sale, Smart Contract System, Ethereum contract address of the Company, User's WMC Token Address, Services or the WMC Tokens in a variety of ways, including, but not limited to, malware attacks, denial of service attacks, consensus-based attacks, Sybil attacks, smurfing and spoofing. Furthermore, because the Smart Contract System and Services are based on open-source software, there is a risk that a third party or a member of the Company team may intentionally or unintentionally introduce weaknesses into the core infrastructure of the Services, WMC Token Pre-sale, WMC Token sale, Ethereum contract address of the Company, User's WMC Token Address or Smart Contract System, which could negatively affect the Services, WMC Token Pre-sale, WMC Token sale, Smart Contract System, Ethereum contract address of the Company, User's WMC Token Address and the WMC Tokens, including the utility of the WMC Tokens for obtaining Services.

5. Risks Associated with Markets for WMC Tokens

The WMC Tokens are intended to be used solely within the Services and the Company may not enable or otherwise facilitate any secondary trading or external valuation of WMC Tokens. This may restrict the contemplated avenues for using WMC Tokens to the provision or receipt of Services, and could therefore create illiquidity risk with respect to any WMC Tokens you own. Even if secondary trading of WMC Tokens is facilitated by third-party exchanges, such exchanges may be relatively new and subject to little or no regulatory oversight, making them more susceptible to fraud or manipulation. Furthermore, to the extent that third parties do ascribe an external exchange value to WMC Tokens (e.g., as denominated in a digital or fiat currency), such value may be extremely volatile and diminish to zero. If you are purchasing the WMC Tokens as a form of investment on a speculative basis or otherwise, or for a financial purpose, with the expectation or desire that their inherent, intrinsic or cash-equivalent value may increase with time, you assume all risks associated with such speculation or actions, and any errors associated therewith, and accept that the WMC Tokens are not offered by the Company or its affiliates on an investment or speculative basis. You further acknowledge that any funds you consider to be invested in the Company, Services or the WMC Tokens will not be protected, guaranteed or reimbursed by any governmental, regulatory or other entity, and will not, for instance be guaranteed by any Slovenian's guarantee scheme, and is unlikely to be protected by any equivalent scheme in a jurisdiction outside of Slovenia.

6. Risks Associated with Uncertain Regulations and Enforcement Actions

Blockchain technology allows new forms of interaction and that it is possible that certain jurisdictions will apply existing regulations on, or introduce new regulations addressing, blockchain technology based applications, which may be contrary to the current setup of the smart contract implemented in the WMC Token Pre-sale, WMC Token sale and which may, inter alia, result in substantial modifications to the smart contract and/or the Services, including its termination and the loss of your WMC Tokens. Additionally, regulation of the business of the Company may be uncertain in various jurisdictions owing to the potential crossovers between the treatment of the business of the Company across insurance services and blockchain technology laws and regulations. It is not known what regulatory framework the proposed Services, the Event organization, participant's selection process and associated applications will be caught by, the nature and obligations that will be imposed on Company in order to comply with any such regulatory framework or when/if Company will even be able to apply to be regulated so that it may lawfully carry out its proposed business activities.

The regulatory status of the WMC Tokens and distributed ledger technology is unclear or unsettled in many jurisdictions. It is difficult to predict how or whether regulatory agencies may apply existing regulation with respect to such technology and its applications, including the Services and the WMC Tokens. It is likewise difficult to predict how or whether legislatures or regulatory agencies may implement changes to law and regulation affecting distributed ledger technology and its applications, including the Services and the WMC Tokens. Regulatory actions could negatively impact the Services and the WMC Tokens in various ways, including, for purposes of illustration only, through a determination that the purchase, sale and delivery of the WMC Tokens constitutes unlawful activity or that the WMC Tokens are a regulated instrument that require registration or licensing of those instruments or some or all of the parties involved in the purchase, sale and delivery thereof. The Company may cease operations in a jurisdiction in the event that regulatory actions, or changes to law or regulation, make it illegal to operate in such jurisdiction, or commercially undesirable to obtain the necessary regulatory approval(s) to operate in such jurisdiction.

7. Risk of Uninsured Losses

Unlike bank accounts or accounts at some other financial institutions, WMC Tokens are uninsured unless you specifically obtain private insurance to insure them. Thus, in the event of loss or loss of utility value, there is no public insurer or private insurance arranged by Company, to offer recourse to you.

8. Risks Arising from Taxation

The tax characterization of WMC Tokens is uncertain. You must seek your own tax advice in connection with purchasing WMC Tokens, which may result in adverse tax consequences to you, including withholding taxes, income taxes and tax reporting requirements. You are urged to consult your own tax adviser as to the tax consequences of the ownership and disposition of the WMC Tokens, including the applicability and effect of any other tax laws or tax treaties, and of pending or proposed changes in applicable tax laws, and of any actual changes in applicable tax laws.

9. Risk of Competing Services

It is possible that alternative Services could be established that utilize the same open source code and protocol underlying the Services and attempt to facilitate services that are materially similar to the Services. The Services may compete with these alternatives, which could negatively impact the Services and WMC Tokens, including the utility of the WMC Tokens for obtaining Services.

10. Risk of Insufficient Interest in the Services

It is possible that the Services will not be used by a large number of individuals, companies and other entities or that there will be limited public interest in the creation and development of distributed Services more generally. Such a lack of use or interest could negatively impact the development of the Services and therefore the potential utility of the WMC Tokens, including the utility of the WMC Tokens for obtaining Services. The creation and issue of the WMC Tokens and the development of the Services may be abandoned for a number of reasons, including lack of interest from the public, lack of funding, lack of commercial success or prospects (e.g. caused by competing projects). You therefore understand and accept that there is no warranty or assurance that, even if the Services is partially or fully developed and launched, you will receive any benefits through the WMC Tokens that you hold.

11. Risks Associated with the Development and Maintenance of the Services

The Services is still under development and may undergo significant changes over time. Although we intend for the WMC Tokens and Services to function as described in Exhibit B and intends to take commercially reasonable steps toward those ends, we may have to make changes to the specifications of the WMC Tokens or Services for any number of legitimate reasons. Moreover, we have no control over how other participants will use the Services, what products or services will be offered through the Services by third parties, or how third-party products and services will utilize WMC Tokens (if at all). This could create the risk that the WMC Tokens or Services, as further developed and maintained, may not meet you expectations at the time of purchase. Furthermore, despite our good faith efforts to develop and participate in the Services, it is still possible that the Services will experience malfunctions or otherwise fail to be adequately developed or maintained, which may negatively impact the Services and WMC Tokens, and the potential utility of the WMC Tokens, including the utility of the WMC Tokens for obtaining Services. Company makes no warranties or representations and offers no assurances (in each case whether express or implied) that the WMC Tokens shall confer any actual and/or exercisable rights of use, functionality, features, purpose or attributes in connection with the Services.

12. Risk of an Unfavourable Fluctuation of ETH Value

The Company intends to use the means received from the WMC Token Pre-sale and WMC Token sale to fund the maintenance and development of the Services, as described further in Exhibit B. The means received from the WMC Token Pre-sale and WMC Token sale will be denominated in Ether, and may be converted into other cryptographic and fiat currencies. If the value of ETH fluctuates unfavourably during or after the WMC Token Pre-sale and WMC Token sale, we may not be able to fund development, or may not be able to develop or maintain the Services in the manner that it intended. In addition to the usual market forces, there are several potential events which could exacerbate the risk of unfavourable fluctuation in the value of ETH including uncertainties created by the lack of resolution to the bitcoin scaling debate, the possibility of a so-called "Hard Fork" of bitcoin

if one of the competing camps in the scaling debate decides to force the issue; another DAO-like attack on the Ethereum platform; or significant security incidents or market irregularities at one or more of the major cryptocurrency exchanges.

13. Risk of Hard Fork

The Services will need to go through substantial development works as part of which it may become the subject of significant conceptual, technical and commercial changes before release. As part of the development, an upgrade to the WMC Token may be required (hard-fork of WMC Token) and if you decide not to participate in such upgrade, you may no longer be able to use your WMC Tokens and any non-upgraded WMC Tokens may lose their functionality in full.

14. Risk of Dissolution of the Company or Services

It is possible that, due to any number of reasons, including, but not limited to, an unfavourable fluctuation in the value of ETH (or other cryptographic and fiat currencies), decrease in the WMC Tokens' utility (including their utility for obtaining Services), the failure of commercial relationships, or intellectual property ownership challenges, the Services may no longer be viable to operate or the Company may dissolve.

15. Risks Arising from Lack of Governance Rights

Because WMC Tokens confer no governance rights of any kind with respect to the Services or the Company, all decisions involving the Company's products or Services or the Company itself will be made by the Company at its sole discretion, including, but not limited to, decisions to discontinue its products or the Services, to create and sell more WMC Tokens for using the Services, or to sell or liquidate the Company. These decisions could adversely affect the Services and the utility of any WMC Tokens you owns, including their utility for obtaining Services.

16. Risks Arising from the Crowdsourced Prediction Analytics Market

The crowdsourced prediction analytics industry, and by extension the Services, is subject to a variety of federal, state and international laws and regulations, including those with respect to KYC/AML and customer due diligence procedures, privacy and data protection, consumer protection, data security, and others. These laws and regulations, and the interpretation or application of these laws and regulations, could change. In addition, new laws or regulations affecting the Services could be enacted, which could impact the utility of the WMC Tokens and the Services. Additionally, the Services participants are subject to industry specific laws and regulations or licensing requirements. If any of these parties fails to comply with any of these licensing requirements or other applicable laws or regulations, or if such laws and regulations or licensing requirements become more stringent or are otherwise expanded, it could adversely impact the Services and the WMC Tokens, including the WMC Tokens' utility for obtaining Services.

18. Unanticipated Risks

Cryptographic tokens such as the WMC Tokens are a new and untested technology. In addition to the risks included in this Exhibit C. there are other risks associated with your purchase, sale,

ownership, custody, possession, and use of the WMC Tokens, including those that the Company cannot reasonably foresee. Such risks may further materialize as unanticipated variations or combinations of the risks discussed in this Exhibit C.

19. Sybil & Outsourcing Attacks

Creating multiple (Sybil) identities would theoretically allow for malicious nodes to pretend to store more copies of the same data, but having them stored only once and quickly fetched from the storing location when required to prove they are providing the service. This issue is addressed by establishing a similar mechanism to the Proof-of-Replication introduced in the Filecoin Whitepaper applied to graphs, with the consideration that the data used for the Services is public by design. With these preconditions in place, encryption is used to prove replication and not used to obscure data - it is up to the data creator to encrypt the input information they require to be obscured before inputting data into the system.

20. The 51% Attack

A 51% attack is usually defined as an ability to control an overwhelmingly large amount (at least 51%) of power in a decentralized system (i.e. hashing power in Ethereum), which then grants the ability to manipulate data. In terms of data integrity of the Services, such an attack is not a problem as for each graph it is deterministically verifiable that the data hasn't been changed by comparing the hash extracted from the DH node with the cryptographic fingerprints in the blockchain layer. Additionally, DH nodes are incentivized to store in its proper form in order to be able to prove storage and receive compensation. If a node fails to provide proof of retrievability / replication, it can be easily substituted by another node in the system by the data creator.

21. Byzantine faults

Byzantine faults are defined as faults caused by nodes to deliver supply chain graph data either by being unavailable or having an incorrect data response. An incorrect response is defined as a response that cannot be validated by an appropriate hash fingerprint on the blockchain layer of Services. Because of the data governance consensus of replicating the graph data in data holder nodes (where is the number of distinct supply chain data creator nodes), the probability of failure to deliver the requested data significantly diminishes with the number of involved nodes in the exchange. When a DH node fails to deliver service for a required period of time, the data distribution protocol is used to find a new candidate node and replicate the data to keep the required number of copies of the Services.

22. Eclipse attacks

Isolating a node or a multitude of them from the Services by having all outbound connections reach malicious nodes is called the eclipse attack. This is addressed by using public key hashes as node IDs in Kademia. To eclipse a node for using the Services the attacker has to generate key pairs that position themselves closer in Kademia to the targeted node than its nearest non-malicious neighbour, as well as maintaining that position when new nodes join with closer IDs. This problem

grows in complexity as more nodes are introduced for using the Services and essentially presents a form of proof-of-work problem.

23. Hostage data attacks

A malicious node might refuse to deliver certain graph data in order to extort data owners for additional tokens. This possibility is mitigated by replicating graph data across a multitude of nodes.
